

Resolution

ENROLLED HOUSE
RESOLUTION NO. 1041

By: Archer and West (Josh)

A Resolution supporting the Oklahoma Secretary of Energy and Environment's submission to the United States Department of Energy for designation of a Nuclear Lifecycle Innovation Campus; recognizing Oklahoma's leadership in advanced energy; and directing distribution.

WHEREAS, the State of Oklahoma has long been a national leader in the production, development, and regulation of energy resources, including oil, natural gas, wind, and emerging energy technologies; and

WHEREAS, advanced nuclear energy technologies, including small modular reactors and microreactors, represent a critical component of the nation's future energy portfolio, offering reliable and resilient power generation; and

WHEREAS, the United States Department of Energy has established initiatives to support the development of regional Nuclear Lifecycle Innovation Campuses to accelerate research, development, demonstration, and deployment of advanced nuclear technologies; and

WHEREAS, the Oklahoma Secretary of Energy and Environment has prepared and submitted, or intends to submit, an application to the Department of Energy seeking designation and support for a Nuclear Lifecycle Innovation Campus within the State of Oklahoma; and

WHEREAS, Oklahoma possesses significant strategic advantages for such a campus, including available land, existing energy infrastructure, a skilled workforce, research institutions, and a favorable regulatory environment; and

WHEREAS, establishment of a Nuclear Lifecycle Innovation Campus in Oklahoma would promote economic development, job creation, workforce training, and technological advancement while enhancing national energy security; and

WHEREAS, such a designation would position Oklahoma as a centrally located national hub for innovation in next-generation nuclear technologies and related supply chains.

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE 2ND SESSION OF THE 60TH OKLAHOMA LEGISLATURE:

THAT the Oklahoma House of Representatives hereby expresses its strong support for the Oklahoma Secretary of Energy and Environment's application to the United States Department of Energy for the establishment of a Nuclear Lifecycle Innovation Campus in the State of Oklahoma.

THAT the Oklahoma House of Representatives encourages federal officials to give full and fair consideration to Oklahoma's application in recognition of the state's demonstrated leadership in energy production and innovation.

THAT the Oklahoma House of Representatives affirms its commitment to fostering policies that support advanced energy development, including nuclear technologies, within the State of Oklahoma.

THAT a copy of this resolution be distributed to the Governor, the Speaker of the Oklahoma House of Representatives, the President Pro Tempore of the Oklahoma State Senate, Oklahoma Secretary of Energy and Environment, the Oklahoma congressional delegation, and the United States Department of Energy.

Adopted by the House of Representatives the 31st day of March,
2026.

Presiding Officer of the House of
Representatives

OFFICE OF THE SECRETARY OF STATE
