2 SECTION 1. AMENDATORY 22 O.S. 2021, Section 983, as last
3 amended by Section 2, Chapter 211, O.S.L. 2024 (22 O.S. Supp. 2025,
4 Section 983), is amended to read as follows:

5 Section 983. A. As used in this section, unless the context
6 otherwise requires:

7 1. "Cost arrest warrant" means a warrant authorizing arrest
8 that is issued by a court under the following circumstances:

- 9 a. failure to comply with the terms of a court financial
10 obligations payment plan,
11 b. failure to appear at a cost hearing or willfulness
12 hearing, or
13 c. failure to appear at the office of the court clerk of
14 the county in which the court financial obligation is
15 owed within ten (10) days of being cited by a law
16 enforcement officer to appear;

17 2. "Cost cite and release warrant" means a warrant issued by a
18 court authorizing citation and release under the following
19 circumstances:

- 20 a. failure to comply with terms of a court financial
21 obligations payment plan, or
22 b. failure to appear at a cost hearing or willfulness
23 hearing;
24

1 3. "Cost hearing" means a hearing in which the court determines
2 the ability of a defendant to pay court financial obligations. Once
3 a cost hearing date has been set, all court financial obligations
4 shall be suspended until the cost hearing has been held;

5 4. "Court financial obligation" means all financial obligations
6 including fines, costs, fees, and assessments, imposed by the court
7 or required by law to be paid, excluding restitution or payments to
8 be made other than to the court clerk;

9 5. "Payment-in-full" means a court financial payment term that
10 requires the defendant to pay the full amount of court financial
11 obligations owed within ninety (90) days of a plea or sentence in
12 the district court or within thirty (30) days of a plea or sentence
13 in the municipal court;

14 6. "Payment-in-installments" means payment terms for court
15 financial obligations that require the defendant to make monthly
16 payments in any amount until the amount owed is fully paid; and

17 7. "Willfulness hearing" means a hearing in which the court
18 determines whether a defendant who has previously been found to have
19 the ability to pay court financial obligations has willfully failed
20 to pay the debt.

21 B. 1. Except in cases provided for in Section 983b of this
22 title, when the judgment and sentence of a court, either in whole or
23 in part, imposes court financial obligations upon a defendant, the
24 court at the time of sentencing ~~may immediately, or at any point~~

1 ~~thereafter until the debt is either paid or waived,~~ shall offer to
2 conduct, contemporaneous with sentencing or at a later date, a
3 hearing to determine the ability of a defendant to pay the court
4 financial obligations. The court may make such determinations at a
5 cost hearing or upon written motion or affidavit by the defendant.
6 The ability of a defendant to pay court financial obligations may
7 not impact the sentence imposed.

8 2. Defendants with court financial obligations who are found by
9 the court to be unable to pay, in whole or in part, or who show
10 sufficient evidence of a presumption pursuant to paragraph 5 of this
11 subsection, shall be relieved of the debt by the court through a
12 hardship waiver of the court financial obligations, either in whole
13 or in part.

14 3. In determining the ability of a defendant to pay, the court
15 shall consider the following factors:

- 16 a. individual and household income,
- 17 b. household living expenses,
- 18 c. number of dependents,
- 19 d. assets,
- 20 e. child support obligations,
- 21 f. physical or mental health conditions that diminish the
22 ability to generate income or manage resources,
- 23 g. additional case-related expenses to be paid by the
24 defendant, and

1 h. any other factors relevant to the ability of the
2 defendant to pay.

3 4. In determining the ability of a defendant to pay, the
4 following shall not be considered as income or assets:

5 a. child support income,

6 b. any monies received from a federal, state, or tribal
7 government need-based or disability assistance
8 program, or

9 c. assets exempt from bankruptcy.

10 5. Defendants in the following circumstances are presumed
11 unable to pay and eligible for relief under paragraph 2 of this
12 subsection:

13 a. designated as totally disabled by any federal, state,
14 or tribal disability services program including but
15 not limited to military disability, Social Security
16 Disability Insurance, Supplemental Security Income, or
17 tribal disability benefits,

18 b. receives support from the Temporary Assistance for
19 Needy Families program, Supplemental Nutrition
20 Assistance Program, the Special Supplemental Nutrition

1 c. receives subsidized housing support through the
2 Housing Choice Voucher program, the United States
3 Department of Housing and Urban Development, or other
4 state, local, or federal government housing subsidy
5 program, or

6 d. total income is below one hundred fifty percent (150%)
7 of the federal poverty level.

8 C. 1. At the time of a plea or sentencing, the court shall
9 inform the defendant of the total court financial obligations owed,
10 the consequences of failing to pay the court financial obligations,
11 and that the defendant may request a cost hearing if at any time he
12 or she is unable to pay the court financial obligations, at which
13 point the court may waive all or part of the debt owed. If the
14 total amount of court financial obligations owed is not available at
15 the time of the plea or sentencing, the court shall inform the
16 defendant that court financial obligations have been incurred and
17 the time and location where the defendant may learn of the total
18 amount owed.

19 2. The court shall order the defendant to appear immediately
20 after sentencing at the office of the court clerk to provide current
21 contact information and to either select payment terms or request a
22 cost hearing. Failure to immediately report to the court clerk
23 shall result in the full amount of court financial obligations to be
24 due thirty (30) days from the date of the plea or sentencing in

1 district courts or thirty (30) days from the date of the plea or
2 sentencing in municipal courts.

3 3. Payment of court financial obligations may be made under the
4 following terms:

- 5 a. payment in full, or
- 6 b. payment in installments.

7 Upon any change in circumstances affecting the ability of a
8 defendant to pay, a defendant may request a cost hearing before the
9 court by contacting the court clerk.

10 4. The district court for each county and all municipal courts
11 shall provide a cost hearing for any defendant upon request, either
12 by establishing a dedicated docket or on an as-requested basis. A
13 defendant who requests a cost hearing will receive a summons by
14 personal service or by United States mail to appear in court as
15 required by subsection G of this section. If a defendant fails to
16 appear for a requested cost hearing, the court may issue either a
17 cost cite and release warrant or a cost arrest warrant. No fees
18 shall be assessed or collected from the defendant as a consequence
19 of either requesting a cost hearing or the issuing of a cost cite
20 and release warrant.

21 D. In determining the ability of the defendant to pay court
22 financial obligations, the court may rely on testimony, relevant
23 documents, and any information provided by the defendant using a
24 cost hearing affidavit promulgated by the Court of Criminal Appeals.

1 In addition, the court may make inquiry of the defendant and
2 consider any other evidence or testimony concerning the ability of
3 the defendant to pay.

4 E. 1. If at the initial cost hearing or any subsequent cost
5 hearing, the court determines that the defendant is able to pay some
6 or all of the court financial obligations, the court may order any
7 of the following conditions for payment:

8 a. payment in full,

9 b. payment in installments,

10 c. financial incentive under a set of conditions
11 determined by the court, or

12 d. community service in lieu of payment; provided, the
13 defendant shall receive credit for no less than two
14 times the amount of the minimum wage specified
15 pursuant to state law for each hour of community
16 service.

17 2. Any defendant who fails to comply with the terms of the
18 payment plan ordered by the court shall be considered delinquent and
19 the court may issue either a cost cite and release warrant or a cost
20 arrest warrant.

21 F. If the court determines that a waiver of any of the court
22 financial obligations is warranted, the court shall apply the same
23 percentage reduction equally to all fines, court costs, fees, and
24 assessments, excluding restitution.

1 G. 1. A defendant is considered delinquent in the payment of
2 court financial obligations under the following circumstances:

- 3 a. when the total amount due has not been paid by the due
4 date, or
5 b. when no installment payments have been received in the
6 most recent ninety-day period.

7 2. The court clerk shall periodically review cases for
8 delinquency at least once every six (6) months and, upon identifying
9 a delinquent defendant, notify the court which shall, within ten
10 (10) days thereafter, set a cost hearing for the court to determine
11 if the defendant is able to pay. The court shall make an ability to
12 pay determination at such hearing. Any waiver of such hearing shall
13 occur in open court after the defendant is advised of the cost
14 hearing process. The cost hearing shall be set within forty-five
15 (45) days of the issuance of the summons. The hearing shall be set
16 on a date that shall allow the court clerk to issue a summons
17 fourteen (14) days prior to the cost hearing. Defendants shall
18 incur no additional fees associated with the issuance of the
19 summons.

20 3. At least fourteen (14) days prior to the cost hearing, the
21 court clerk shall issue one summons to the defendant to be served by
22 United States mail to the mailing address of the defendant on file
23 in the case, substantially as follows:

24 SUMMONS

1 You are ORDERED to appear for a COST HEARING at a specified
2 time, place, and date to determine if you are financially able to
3 pay the fines, costs, fees, or assessments or an installment due in
4 Case No._____.

5 YOU MUST BE PRESENT AT THE HEARING.

6 At any time before the date of the cost hearing, you may contact
7 the court clerk and pay the amount due or request in writing or in
8 person prior to the court date, that the hearing be rescheduled for
9 no later than thirty (30) days after the scheduled time.

10 THIS IS NOT AN ARREST WARRANT. However, if you fail to appear
11 for the cost hearing or pay the amount due, the court may issue a
12 WARRANT and may refer the case to a court cost compliance liaison
13 which will cause an additional administrative fee of up to thirty-
14 five percent (35%) to be added to the amount owed and may include
15 additional costs imposed by the court.

16 4. Referrals to the court cost compliance program as provided
17 in subsection L of this section shall be made as follows:

- 18 a. courts shall refer a case to the court cost compliance
19 program upon the issuance of a cost arrest warrant,
20 b. courts may refer a case to the court cost compliance
21 program upon the issuance of a cost cite and release
22 warrant, or
23 c. courts may refer a case to the court cost compliance
24 program without the issuance of a warrant; provided,

1 the defendant is delinquent and has had sufficient
2 notice and opportunity to have a cost hearing.

3 5. A municipal court, in lieu of mailing the summons provided
4 for in this subsection, may give the summons to the defendant in
5 person at the time of sentencing or subsequent appearance of a
6 specific date, time, and place, not fewer than thirty (30) days nor
7 more than one hundred twenty (120) days from the date of sentencing
8 to appear for a cost hearing if the court financial obligations
9 remain unpaid.

10 H. 1. If a defendant is found by a law enforcement officer to
11 have an outstanding cost cite and release warrant, the law
12 enforcement officer shall issue a Warning/Notice to appear within
13 ten (10) days of release from detention on the warrant to the court
14 clerk of the court in which the court financial obligations are
15 owed. If the officer has the necessary equipment, the officer shall
16 immediately transmit the Warning/Notice electronically to the court
17 clerk of the court in which the court financial obligations are
18 owed. The law enforcement officer shall not take the defendant into
19 custody on the cite and release warrant. If the law enforcement
20 officer is unable to transmit the Warning/Notice electronically to
21 the court clerk, the officer shall inform the appropriate department
22 staff member within the agency of the law enforcement officer of the
23 Warning/Notice within five (5) days. The department staff member
24 shall then promptly notify the law enforcement agency in the

jurisdiction that issued the warrant electronically who shall promptly notify the court clerk. The electronic communication shall be treated as a duplicate original for all purposes in any subsequent hearings before the appropriate court.

2. If the defendant reports to the office of the court clerk within the ten (10) days, the court clerk shall:

- a. inform the court of the Warning/Notice to the defendant and contact,
- b. schedule a cost hearing pursuant to applicable local court rule, and
- c. submit the warrant to the court for recall pending the cost hearing.

3. If the defendant fails to report to the office of the court clerk within the ten (10) days, the court may issue a cost arrest warrant for the arrest of the defendant.

4. Following an arrest on a cost arrest warrant, the defendant must be released after seventy-two (72) hours in custody. The defendant may be released prior to seventy-two (72) hours if:

- a. the custodian is presented with proof of payment in the amount of One Hundred Dollars (\$100.00) to each jurisdiction where the court financial obligations are owed and the new cost hearing date is provided,

1 b. the court releases the defendant on the defendant's
2 own recognizance and a new cost hearing date is
3 provided, or

4 c. the court conducts a cost or willfulness hearing, as
5 appropriate, pursuant to the provisions of this
6 section and determines the defendant should be
7 released.

8 5. The provisions for issuing a separate summons described in
9 subsection G of this section shall not apply to a municipal court if
10 the municipal court has previously provided actual personal notice
11 to the defendant of an opportunity for a cost hearing. If such
12 notice was given and the defendant fails to appear, the municipal
13 court may issue either a cost cite and release warrant or a cost
14 arrest warrant.

15 6. All warrants for failure to appear at a cost hearing or for
16 failure to pay court financial obligations which have been issued
17 prior to the effective date of this act and which remain unserved,
18 shall be treated as cost cite and release warrants. All warrant
19 fees assessed for warrants for failure to appear at a cost hearing
20 or for failure to pay court financial obligations issued prior to
21 the effective date of this act shall remain in effect unless waived
22 by the court.

23 I. Supporting documents in a motion or affidavit for relief
24 from court financial obligation debt or any documents taken into

1 evidence during a cost hearing or willfulness hearing shall not be
2 viewable by the public on a court-controlled website.

3 J. 1. After a cost hearing where a defendant is found able to
4 pay a court financial obligation, either in whole or in part, and
5 then becomes delinquent in that payment, a court may conduct a
6 willfulness hearing at any time beginning immediately after a cost
7 hearing has been held and a decision rendered on the court financial
8 obligations. Findings of a defendant's prior ability to pay may be
9 considered as evidence of ability to pay or willfulness at the
10 hearing. The requirements of this paragraph shall not be construed
11 to prohibit the court from holding subsequent cost hearings on the
12 same court financial obligations.

13 2. At a willfulness hearing, the court shall evaluate the
14 following:

- 15 a. whether a cost hearing has been held previously where
16 evidence relating to ability to pay was presented and
17 the court found the defendant was able to pay the
18 court financial obligations, either in whole or in
19 part,
- 20 b. whether there is any new evidence of ability to pay
21 not previously considered or a change in circumstances
22 since the cost hearing,

- c. whether the defendant was afforded sufficient time and opportunity to fulfill the obligation to pay the court financial obligations,
- d. whether the defendant made any efforts to satisfy the court financial obligations, and
- e. whether there are any other relevant facts or circumstances.

3. After a finding of willful failure to pay court financial obligations, the court may impose a jail sentence pursuant to Section 101 of Title 28 of the Oklahoma Statutes. A jail sentence may be imposed only under the following circumstances:

- a. the hearing is conducted on the record pursuant to the rules promulgated by the Court of Criminal Appeals, and
- b. the defendant is represented by counsel or expressly waives his or her right to counsel.

4. If a jail sentence is imposed, the court may grant credit for any time already served. At any time after incarceration, the jail sentence may be satisfied upon payment in full of the outstanding balance with credit for any time already served.

K. The district court or municipal court, within one hundred twenty (120) days from the date upon which the person fails to comply with the financial obligation as ordered by the court or fails to appear for the offered cost or willfulness hearing, may, if

1 the defendant has previously been notified of the possibility of a
2 suspension, send notice of nonpayment of any court-ordered financial
3 obligation for a moving traffic violation to Service Oklahoma with a
4 recommendation of suspension of driving privileges of the defendant
5 until the total amount of any court financial obligation has been
6 paid or waived by the court. Upon receipt of payment of the total
7 amount of the court financial obligations for the moving traffic
8 violation, the court shall send notice thereof to Service Oklahoma,
9 if a nonpayment notice was sent as provided for in this subsection.
10 Notices sent to Service Oklahoma shall be on forms or by a method
11 approved by Service Oklahoma.

12 L. Every county and district court of this state shall fully
13 utilize and participate in the court cost compliance program. Cases
14 shall be referred to the court cost compliance program no more than
15 sixty (60) days after the court has ordered the referral pursuant to
16 paragraph 4 of subsection G of this section, unless the defendant
17 pays the amount owed on the court financial obligation or an
18 installment due. When the court refers a case, the updated contact
19 information on file shall be forwarded to a court cost compliance
20 liaison for collection purposes.

21 M. The Court of Criminal Appeals shall implement procedures and
22 rules for implementation of the requirements of this section. Such
23 procedures, rules, and any supplemental forms may be made available
24 by the Administrative Office of the Courts.

SECTION 2. This act shall become effective November 1, 2026."
