BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified
in the Oklahoma Statutes as Section 2890 of Title 63, unless there
is created a duplication in numbering, reads as follows:

1 This act shall be known and may be cited as the "Oklahoma
2 Emergency Communications Act".

3 SECTION 2. NEW LAW A new section of law to be codified
4 in the Oklahoma Statutes as Section 2891 of Title 63, unless there
5 is created a duplication in numbering, reads as follows:

6 As used in the Oklahoma Emergency Communications Act:

7 1. "Authority" means the Oklahoma Emergency Communications
8 Authority created in Section 3 of this act;

9 2. "FCC" means the Federal Communications Commission;

10 3. "Revolving fund" means the Oklahoma Emergency Communications
11 Authority Revolving Fund created in Section 6 of this act.

12 SECTION 3. NEW LAW A new section of law to be codified
13 in the Oklahoma Statutes as Section 2892 of Title 63, unless there
14 is created a duplication in numbering, reads as follows:

15 A. There is hereby created within the Department of Public
16 Safety the Oklahoma Emergency Communications Authority which shall
17 be the governing board providing oversight, development, and
18 regulation of state emergency communications systems.

19 B. The Authority shall be composed of the following fifteen
20 (15) members:

21 1. One member representing the Oklahoma Department of Public
22 Safety, to be appointed by the Commissioner of Public Safety;

23 2. One member representing the Oklahoma Department of
24 Transportation, to be appointed by the Secretary of Transportation;

1 3. One member representing forestry and state fire response, to
2 be appointed by the Commissioner of Agriculture;

3 4. One member representing the Office of Management and
4 Enterprise Services, to be appointed by the Chief Information
5 Officer;

6 5. One member representing the State Department of Health, to
7 be appointed by the State Commissioner of Health;

8 6. One member representing a statewide organization dedicated
9 to representing municipal law enforcement, to be appointed by the
10 President Pro Tempore of the Oklahoma State Senate;

11 7. One member representing a statewide organization dedicated
12 to representing county law enforcement, to be appointed by the
13 Oklahoma Sheriffs' Association;

14 8. One member representing a statewide organization dedicated
15 to representing fire service, to be appointed by the Governor;

16 9. One member representing a statewide organization dedicated
17 to representing Oklahoma municipalities, to be appointed by the
18 Speaker of the Oklahoma House of Representatives;

19 10. One member representing a statewide organization
20 representing Oklahoma county commissioners, to be appointed by the
21 Governor;

22 11. One member representing a statewide organization
23 representing radio communications, to be appointed by the President
24 Pro Tempore of the Oklahoma State Senate;

1 12. One member representing a statewide organization
2 representing emergency medical services, to be appointed by the
3 Governor;

4 13. One member representing a city or county that owns radio
5 infrastructure and allows state users to utilize the system for day-
6 to-day operations, to be appointed by the Speaker of the Oklahoma
7 House of Representatives;

8 14. The Oklahoma 9-1-1 Coordinator or his or her designee; and

9 15. One member representing the Inter-Tribal Council of the
10 Five Civilized Tribes, to be appointed by Governor.

11 C. Members may be removed for cause. Members shall serve at
12 the pleasure of their appointing authority and vacancies shall be
13 filled by the original appointing authority. Each Authority member
14 shall be reaffirmed every two (2) years from the date of
15 appointment.

16 D. Members shall receive no compensation for serving on the
17 Authority.

18 E. Eight (8) members of the Authority shall constitute a
19 quorum, and the vote of the majority of the Authority member seats
20 shall be necessary for any action to be taken by the Authority.

21 F. The Department of Public Safety shall provide a dedicated
22 resource to the Emergency Communications Authority to carry out the
23 goals of the Authority and help coordinate between state and local
24

1 public safety agencies. The Authority and the Department of Public
2 Safety shall agree on the resource provided to the Authority.

3 G. The Authority shall elect a chair from its membership. The
4 Authority shall meet at least quarterly. However, the chair may
5 call a meeting of the Board as often as necessary to transact
6 business.

7 H. The Department of Public Safety shall provide staffing, a
8 proper meeting space, and any other such assistance as the Authority
9 may require.

10 I. The Authority shall be subject to the Oklahoma Open Records
11 Act and the Oklahoma Open Meeting Act.

12 SECTION 4. NEW LAW A new section of law to be codified
13 in the Oklahoma Statutes as Section 2893 of Title 63, unless there
14 is created a duplication in numbering, reads as follows:

15 The powers and duties of the Oklahoma Emergency Communications
16 Authority created in Section 3 of this act shall be to:

17 1. Approve or disapprove the dedicated resource provided by the
18 Department of Public Safety pursuant to subsection F of Section 3 of
19 this act by majority vote of the members;

20 2. Promulgate rules, through the authority of the Department of
21 Public Safety, as necessary to implement the provisions of the
22 Oklahoma Emergency Communications Act and for the governance and
23 operation of the Oklahoma Emergency Communications Authority;

1 3. Prepare grant solicitations for funding for the purposes of
2 assisting public agencies in joining a state-owned shared radio
3 system. This includes both infrastructure and radio subscribers;

4 4. Oversee state allocated funding and funding allocations
5 within the state and local public safety agencies for any radio
6 infrastructure;

7 5. Final approval of contracts necessary to administer and
8 maintain emergency radio systems owned by the State of Oklahoma;

9 6. Work in conjunction with all state and local public safety
10 agencies and the Oklahoma Department of Transportation to move all
11 funding, contracts, and personnel related to the state-owned radio
12 infrastructure, including communication tower infrastructure, to the
13 Department of Public Safety within two (2) years of the effective
14 date of this act;

15 7. Establish comprehensive user training for the state-owned
16 emergency radio systems;

17 8. Establish a strategic plan for the state emergency radio
18 systems to ensure optimal operability and interoperability for all
19 public safety responders in the state. The plan shall include, but
20 may not be limited to secondary public safety responders such as
21 employees of the Oklahoma Department of Transportation and schools;

22 9. Provide guidance to public agencies regarding emergency
23 radio communications;

24 10. Facilitate information-sharing among public agencies;

- 1 11. Create and maintain best practices databases for emergency
2 radio operations;
- 3 12. Facilitate the creation of policies and procedures between
4 state and local public agencies related to emergency radio
5 communications;
- 6 13. Encourage equipment and technology sharing among all
7 jurisdictions;
- 8 14. Facilitate data operability and interoperability between
9 public safety systems;
- 10 15. Provide oversight of the programming of the systems and
11 radios, including any software or keys necessary to operate on the
12 state radio systems;
- 13 16. Recommend standards to become compliant with Project 25 and
14 other common radio interoperability standards;
- 15 17. Enable cost savings to the State of Oklahoma through
16 unification and enhancement of current land mobile radio public
17 safety systems;
- 18 18. Seek public and private partnerships that enhance the
19 public safety radio network;
- 20 19. Manage, maintain, and seek funding for expansion of all
21 radio communications systems owned by the State of Oklahoma;
- 22 20. Create and maintain strategic plans for radio
23 communications for both state and local emergency services. The
24 strategic plan shall be updated annually and provided to the

1 President Pro Tempore of the Oklahoma State Senate, the Speaker of
2 the Oklahoma House of Representatives, and the Governor on or before
3 November 1 of each calendar year. The plan shall be publicly
4 available on the Oklahoma Department of Public Safety website and
5 shall be made available to anyone upon request. The plans shall
6 include details pertaining to the state-owned radio systems,
7 integration between state systems, and efficiencies implemented.
8 The plan shall also include both state and local public safety
9 agencies that are served, underserved, and unserved by state-owned
10 infrastructure;

11 21. Implement policies as needed to provide communications
12 operability and interoperability for local and state users;

13 22. Seek, apply for, and administer funding through grant
14 opportunities. The Authority shall approve all emergency
15 communications grants that are issued by any source within the
16 Oklahoma Department of Public Safety to recipients or subrecipients,
17 including internal grant funding provided to state and local public
18 safety departments or agencies;

19 23. Ensure that all communications and radio technology,
20 programming, and maintenance meet Federal Communications Commission
21 (FCC) rules and regulations;

22 24. Maintain Geographic Information System (GIS) data:

23 a. required for the various radio systems used by local
24 agencies,

- b. that is a secured GIS dataset that is for official use only, that, at a minimum, includes frequencies, if encryption is in use, and the type of system in use, and
- c. necessary to carry out the mission of the Oklahoma Emergency Communications Authority;

25. Provide resources to assist local municipal or county emergency services in the procurement of radio infrastructure to ensure FCC regulations are maintained. This includes providing assistance to such emergency services for increasing or adding to state-owned infrastructure to allow for operability needs;

26. Provide strategic planning and seek funding to ensure radio tower infrastructure meets FCC rules; and

27. Provide training necessary to ensure local and state users of public safety systems can provide emergency assistance efficiently in order to mitigate the loss of life and property.

SECTION 5. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2895 of Title 63, unless there is created a duplication in numbering, reads as follows:

There is hereby created in the State Treasury a revolving fund for the Oklahoma Emergency Communications Authority to be designated the "Oklahoma Emergency Communications Authority Revolving Fund". The fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of all monies received from state

1 appropriations. All monies accruing to the credit of the fund are
2 hereby appropriated and may be budgeted and expended by the Oklahoma
3 Emergency Communications Authority, for the purpose of supporting
4 the administration of the Oklahoma Emergency Communications Act.
5 Expenditures from the fund shall be made upon warrants issued by the
6 State Treasurer against claims filed as prescribed by law with the
7 Director of the Office of Management and Enterprise Services for
8 approval and payment.

9 SECTION 6. AMENDATORY 62 O.S. 2021, Section 34.11.1, as
10 amended by Section 1, Chapter 193, O.S.L. 2024 (62 O.S. Supp. 2025,

- f. a cost-benefit analysis to support the recommendations on the reallocation of information technology and telecommunication resources and personnel,
- g. a calculation of the net savings realized through the reallocation and consolidation of information technology and telecommunication resources and personnel after compensating for the cost of contracting with a private consultant as authorized in paragraph 4 of this subsection, implementing the plan of action, and ongoing costs of the Information Services Division of the Office of Management and Enterprise Services, and

1 h. the information required in subsection B of Section
2 35.5 of this title.

3 3. The plan of action report shall be presented to the
4 Governor, Speaker of the Oklahoma House of Representatives, and the
5 President Pro Tempore of the Oklahoma State Senate.

6 4. The Chief Information Officer may contract with a private
7 consultant or consultants to assist in the assessment and
8 development of the plan of action report as required in this
9 subsection.

10 E. The Chief Information Officer shall be authorized to employ
11 personnel, fix the duties and compensation of the personnel, not
12 otherwise prescribed by law, and otherwise direct the work of the
13 personnel in performing the ~~function~~ functions and accomplishing the
14 purposes of the Information Services Division of the Office of
15 Management and Enterprise Services.

16 F. The Information Services Division of the Office of
17 Management and Enterprise Services shall be responsible for the
18 following duties:

19 1. Formulate and implement the information technology strategy
20 for all state agencies;

21 2. Define, design, and implement a shared services statewide
22 infrastructure and application environment for information
23 technology and telecommunications for all state agencies;

1 3. Direct the development and operation of a scalable
2 telecommunications infrastructure that supports data and voice
3 communications reliability, integrity, and security;

4 4. Supervise the applications development process for those
5 applications that are utilized across multiple agencies;

6 5. Provide direction for the professional development of
7 information technology staff of state agencies and oversee the
8 professional development of the staff of the Information Services
9 Division of the Office of Management and Enterprise Services;

10 6. Evaluate all technology and telecommunication investment
11 choices for all state agencies;

12 7. Create a plan to ensure alignment of current systems, tools,
13 and processes with the strategic information technology plan for all
14 state agencies;

15 8. Set direction and provide oversight for the support and
16 continuous upgrading of the current information technology and
17 telecommunication infrastructure in the state in support of enhanced
18 reliability, user service levels, and security;

19 9. Direct the development, implementation, and management of
20 appropriate standards, policies and procedures to ensure the success
21 of state information technology and telecommunication initiatives;

22 10. Recruit, hire and transfer the required technical staff in
23 the Information Services Division of the Office of Management and
24

Enterprise Services to support the services provided by the Division and the execution of the strategic information technology plan;

11. Establish, maintain, and enforce information technology and telecommunication standards;

12. Delegate, coordinate, and review all work to ensure quality and efficient operation of the Information Services Division of the Office of Management and Enterprise Services;

13. Create and implement a communication plan that disseminates pertinent information to state agencies on standards, policies, procedures, service levels, project status, and other important information to customers of the Information Services Division of the Office of Management and Enterprise Services and provide for agency feedback and performance evaluation by customers of the Division;

14. Develop and implement training programs for state agencies using the shared services of the Information Services Division of the Office of Management and Enterprise Services and recommend training programs to state agencies on information technology and telecommunication systems, products and procedures;

15. Provide counseling, performance evaluation, training, motivation, discipline, and assign duties for employees of the Information Services Division of the Office of Management and Enterprise Services;

16. For all state agencies, approve the purchasing of all information technology and telecommunication services and approve

1 the purchase of any information technology and telecommunication
2 product except the following:

3 a. a purchase less than or equal to Five Thousand Dollars
4 (\$5,000.00) if such product is purchased using a state
5 purchase card and the product is listed on either the
6 Approved Hardware or Approved Software list located on
7 the Office of Management and Enterprise Services
8 website, or

9 b. a purchase over Five Thousand Dollars (\$5,000.00) and
10 less than or equal to Twenty-five Thousand Dollars
11 (\$25,000.00) if such product is purchased using a
12 state purchase card, the product is listed on an
13 information technology or telecommunications statewide
14 contract, and the product is listed on either the
15 Approved Hardware or Approved Software list located on
16 the Office of Management and Enterprise Services
17 website;

18 17. Develop and enforce an overall infrastructure architecture
19 strategy and associated roadmaps for desktop, network, server,
20 storage, and statewide management systems for state agencies;

21 18. Effectively manage the design, implementation and support
22 of complex, highly available infrastructure to ensure optimal
23 performance, on-time delivery of features, and new products, and
24 scalable growth;

1 19. Define and implement a governance model for requesting
2 services and monitoring service level metrics for all shared
3 services; and

4 20. Create the budget for the Information Services Division of
5 the Office of Management and Enterprise Services to be submitted to
6 the Legislature each year.

7 G. The State Governmental Technology Applications Review Board
8 shall provide ongoing oversight of the implementation of the plan of
9 action required in subsection D of this section. Any proposed
10 amendments to the plan of action shall be approved by the Board
11 prior to adoption.

12 H. 1. The Chief Information Officer shall act as the
13 Information Technology and Telecommunications Purchasing Director
14 for all state agencies and shall be responsible for the procurement
15 of all information technology and telecommunication software,
16 hardware, equipment, peripheral devices, maintenance, consulting
17 services, high technology systems, and other related information
18 technology, data processing, telecommunication and related
19 peripherals and services for all state agencies. The Chief
20 Information Officer shall establish, implement, and enforce policies
21 and procedures for the procurement of information technology and
22 telecommunication software, hardware, equipment, peripheral devices,
23 maintenance, consulting services, high technology systems, and other
24 related information technology, data processing, telecommunication

1 and related peripherals and services by purchase, lease-purchase,
2 lease with option to purchase, lease and rental for all state
3 agencies. The procurement policies and procedures established by
4 the Chief Information Officer shall be consistent with ~~The~~ the
5 Oklahoma Central Purchasing Act.

6 2. The Chief Information Officer, or any employee or agent of
7 the Chief Information Officer acting within the scope of delegated
8 authority, shall have the same power and authority regarding the
9 procurement of all information technology and telecommunication
10 products and services as outlined in paragraph 1 of this subsection
11 for all state agencies as the State Purchasing Director has for all
12 acquisitions used or consumed by state agencies as established in
13 ~~The~~ the Oklahoma Central Purchasing Act. Such authority shall,
14 consistent with the authority granted to the State Purchasing
15 Director pursuant to Section 85.10 of Title 74 of the Oklahoma
16 Statutes, include the power to designate financial or proprietary
17 information submitted by a bidder confidential and reject all
18 requests to disclose the information so designated, if the Chief
19 Information Officer requires the bidder to submit the financial or
20 proprietary information with a bid, proposal, or quotation.

21 3. The Chief Information Officer or any employee or agent,
22 pursuant to paragraph 2 of this subsection, shall seek guidance and
23 recommendations from the Oklahoma Emergency Communications Authority
24 for all purchases related to public safety communications.

1 4. When available, state-owned fiber shall be used to support
2 the Oklahoma Emergency Communications Authority duties and
3 responsibilities.

4 I. The Information Services Division of the Office of
5 Management and Enterprise Services and the Chief Information Officer
6 shall be subject to the Oklahoma Central Purchasing Act for the
7 approval and purchase of all equipment, products, and services and
8 shall also be subject to the requirements of the Public Competitive
9 Bidding Act of 1974, the Oklahoma Lighting Energy Conservation Act
10 and the Public Building Construction and Planning Act. The Chief
11 Information Officer shall be authorized to delegate all or some of
12 the procurement of information technology and telecommunication
13 products and services and construction of facilities and
14 telecommunication networks to another state entity if the Chief
15 Information Officer determines it to be cost-effective and in the
16 best interest of the state. The Chief Information Officer shall
17 have authority to designate information technology and
18 telecommunication contracts as statewide contracts and mandatory
19 statewide contracts pursuant to Section 85.5 of Title 74 of the
20 Oklahoma Statutes and to negotiate consolidation contracts,
21 enterprise agreements and high technology systems contracts. Any
22 contract entered into by a state agency for which the Chief
23 Information Officer has not acted as the Information Technology and
24 Telecommunications Purchasing Director, as required in this

1 subsection or subsection H of this section, shall be deemed to be
2 unenforceable and the Office of Management and Enterprise Services
3 shall not process any claim associated with the provisions thereof.

4 J. The Chief Information Officer shall establish, implement,
5 and enforce policies and ~~procedure~~ procedures for the development
6 and procurement of an interoperable radio communications system for
7 state agencies. The Chief Information Officer shall work with local
8 governmental entities in developing the interoperable radio
9 communications system.

10 K. The Chief Information Officer shall develop and implement a
11 plan to utilize open source technology and products for the
12 information technology and telecommunication systems of all state
13 agencies.

14 L. All state agencies and authorities of this state and all
15 officers and employees of those entities shall work and cooperate
16 with and lend assistance to the Chief Information Officer and the
17 Information Services Division of the Office of Management and
18 Enterprise Services and provide any and all information requested by
19 the Chief Information Officer.

20 M. The Chief Information Officer shall prepare an annual report
21 detailing the ongoing net ~~saving~~ savings attributable to the
22 reallocation and consolidation of information technology and
23 telecommunication resources and personnel and shall submit the
24 report to the Governor, the Speaker of the Oklahoma House of

1 Representatives, and the President Pro Tempore of the Oklahoma State
2 Senate.

3 N. For purposes of the Oklahoma Information Services Act,
4 unless otherwise provided for, "state agencies" shall include any
5 office, officer, bureau, board, commission, counsel, unit, division,
6 body, authority or institution of the executive branch of state
7 government, whether elected or appointed; provided, except with
8 respect to the provisions of subsection D of this section, the term
9 "state agencies" shall not include institutions within The Oklahoma
10 State System of Higher Education, the Oklahoma State Regents for
11 Higher Education and the telecommunications network known as OneNet.

12 O. As used in this section:

13 1. "High technology system" means advanced technological
14 equipment, software, communication lines, and services for the
15 processing, storing, and retrieval of information by a state agency;

16 2. "Consolidation contract" means a contract for several state
17 or public agencies for the purpose of purchasing information
18 technology and telecommunication goods and services; and

19 3. "Enterprise agreement" means an agreement for information
20 technology or telecommunication goods and services with a supplier
21 who manufactures, develops and designs products and provides
22 services that are used by one or more state agencies.

23 SECTION 7. AMENDATORY 62 O.S. 2021, Section 34.20, is
24 amended to read as follows:

1 Section 34.20. In addition to the powers and duties as defined
2 elsewhere in this title, the Information Services Division of the
3 Office of Management and Enterprise Services shall:

4 1. Coordinate statewide planning and approve statewide
5 contracts for communication and telecommunications needs of state
6 agencies, including, but not limited to, voice, data, radio
7 including the interoperable radio communications system for state
8 agencies, video, broadband, Wi-Fi or wireless networking, Global
9 Positioning Systems (GPS), Internet, eGovernment, as referenced in
10 Sections 34.24 and 34.25 of this title, and facsimile transmissions
11 through analysis of the telecommunications and information
12 technology plan of each agency;

13 2. In coordination with the Oklahoma ~~Office of Homeland~~
14 ~~Security~~ Emergency Communications Authority, establish minimum
15 mandatory standards and protocols for:

- 16 a. communication networks and equipment,
17 b. wide area and local area systems,
18 c. integration of equipment, systems and joint usage,
19 d. Internet and eGovernment,
20 e. operating systems or methods to be used to meet
21 communications requirements efficiently, effectively,
22 and securely,

- 1 f. rendering of aid between state government and its
2 political subdivisions with respect to organizing of
3 communications systems, and
4 g. an economical and cost-effective utilization of
5 communication services.

6 The standards and protocols shall be compatible with the
7 standards and protocols established for the Oklahoma Government
8 Telecommunications Network;

9 3. Serve as a focal point for all statewide projects and
10 approve all statewide contracts for state agencies involving current
11 communications vendors where the focus of such authority can
12 substantially enhance the state communications plan or the savings
13 which can be achieved thereunder;

14 4. Provide, when requested by political subdivisions of the
15 state, for the organizing of communications or telecommunications
16 systems and service between the state and its political subdivisions
17 and enter into agreements to effect the purposes of this section;

18 5. Cooperate with any federal, state or local emergency
19 management agency in providing for emergency communications and
20 telecommunication services;

21 6. Apply for, receive, and hold, or assist agencies in applying
22 for, receiving or holding, such authorizations, licenses and
23 allocations of channels and frequencies to carry out the purposes of
24 this section;

1 7. Accomplish such other purposes as may be necessary or
2 incidental to the administration of its authority or functions
3 pursuant to law; and

4 8. Provide support for telecommunication networks of state
5 agencies through analysis of the telecommunications needs and
6 requirements of each agency and promotion of the use of the Oklahoma

8 SECTION 8. AMENDATORY 74 O.S. 2021, Section 51.1a, as
9 last amended by Section 2, Chapter 257, O.S.L. 2024 (74 O.S. Supp.
10 2025, Section 51.1a), is amended to read as follows:

11 Section 51.1a. A. In addition to the powers and duties as
12 defined elsewhere in statute, the Office of Homeland Security has
13 the duty and responsibility for interoperable public safety
14 communications planning within this state. As part of this duty,
15 the Office of Homeland Security shall:

16 1. Annually develop and electronically report to the Governor,
17 President Pro Tempore of the Oklahoma State Senate, and Speaker of
18 the Oklahoma House of Representatives, the Statewide Communications
19 Interoperability Plan as part of the strategic plan required
20 pursuant to Section 4 of this act;

21 2. Coordinate statewide planning for public safety
22 communication needs of state government and state emergency
23 responders, including a migration plan for state agency use of
24 public safety communications technologies and rendering of aid

1 between state government and its political subdivisions for
2 organizing and use of disparate public safety communications
3 systems;

4 3. Serve as a focal point for all state-level projects
5 involving public safety communications vendors where the focus of
6 such authority can substantially enhance the state communications
7 plan or savings;

8 4. Apply for, receive and hold, or assist state agencies in
9 applying for, receiving or holding, such authorizations, licenses,
10 and allocations of channels and frequencies to carry out the
11 purposes of this section;

12 5. Establish minimum standards and protocols for the
13 acquisition, development, or enhancement of public safety
14 communications technologies. These standards shall be utilized by
15 the Information Services Division of the Office of Management and
16 Enterprise Services pursuant to the provisions of Section 34.20 of
17 Title 62 of the Oklahoma Statutes; and

18 6. Accomplish such other purposes as may be necessary or
19 incidental to the administration of its authority or functions
20 pursuant to law.

21 B. It is the intent of the Legislature that all state public
22 entities comply with the provisions of the Statewide Communications
23 Interoperability Plan issued by the Office of Homeland Security.
24 All state agencies are required to review the provisions of the

1 Statewide Communications Interoperability Plan and the public safety
2 communications standards issued by the Office of Homeland Security
3 prior to the purchase, acquisition, development, or enhancement of
4 any public safety communications system. Local public safety
5 agencies and political subdivisions of the state are encouraged, but
6 not required, to review the provisions of the Statewide
7 Communications Interoperability Plan and the public safety
8 communications standards issued by the Office of Homeland Security
9 prior to the purchase, acquisition, development, or enhancement of
10 any public safety communications system to assist the local public
11 safety agency or political subdivision in purchasing decisions.

12 C. ~~No~~ The Office of Homeland Security shall ensure that all
13 federal and state grant funding for radio and data communications
14 meets the State Strategic Communications Plan that is approved by
15 the Oklahoma Emergency Communications Authority.

16 D. Unless approved by the Oklahoma Emergency Communications
17 Authority, no state agency shall use state funds or enter into any
18 agreement for the acquisition, development, or enhancement of a
19 public safety communication system and unless the request is
20 consistent with the Statewide Communications Interoperability Plan
21 and the public safety communications standards issued by the Office
22 of Homeland Security.

23 SECTION 9. REPEALER 62 O.S. 2021, Section 35.6.2, is
24 hereby repealed.

SECTION 10. This act shall become effective November 1, 2026.
