BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 70 O.S. 2021, Section 628.13, is amended to read as follows:

Section 628.13. A. 1. The Oklahoma State Regents for Higher Education, in cooperation with the State Board of Education, shall actively encourage the concurrent enrollment in college or university courses of eligible high school students on high school campuses, on college and university campuses and via online courses.

2. The State Regents and State Board shall establish concurrent enrollment requirements with an emphasis on determining course readiness and take all necessary actions to ensure the availability

1 of concurrent enrollment opportunities to students in all Oklahoma
2 high schools.

3 B. The State Board of Education in cooperation with the
4 Oklahoma State Regents for Higher Education shall prepare
5 promotional materials explaining the requirements, features and
6 opportunities of concurrent enrollment and shall ensure that the
7 independent school districts distribute the materials to each
8 student prior to enrollment for each year of high school.

9 C. No institution of The Oklahoma State System of Higher
10 Education shall deny enrollment in any course to any otherwise
11 eligible high school student, or student of at least thirteen (13)
12 years of age who is receiving high-school-level instruction at home,
13 who meets the requirements of concurrent enrollment, nor shall any
14 independent school district prohibit any student who meets the
15 requirements of concurrent enrollment from participating.

16 D. 1. Each high school senior who meets the eligibility
17 requirements for concurrent enrollment shall be entitled to receive
18 a tuition waiver equivalent to the amount of resident tuition for a
19 maximum of eighteen (18) credit hours in their senior year.

20 2. Subject to the high school senior concurrent enrollment
21 program being fully funded, each high school junior who meets the
22 eligibility requirements for concurrent enrollment shall be entitled
23 to receive a tuition waiver equivalent to the amount of resident

2 subject to the availability of funds.

3 3. Tuition waivers provided pursuant to this section shall be
4 granted without any limitation on the number of waivers granted in
5 any year other than the amount of funds available for the program
6 and the number of eligible applicants.

7 E. When a student earns college credit through concurrent
8 enrollment, school districts shall provide academic credit for any
9 concurrently enrolled higher education courses that are correlated
10 with the academic credit awarded by the institution of higher
11 education. Academic credit shall only be transcribed as elective
12 credit if there is no correlation between the concurrent enrollment
13 higher education course and a course provided by the school
14 district.

15 F. Any high school student eligible for concurrent enrollment,
16 who is enrolled in and attending a brick-and-mortar public school or
