

FLOOR AMENDMENT
HOUSE OF REPRESENTATIVES
State of Oklahoma

SPEAKER:

CHAIR:

I move to amend HB3544 _____
Of the printed Bill
Page _____ Section _____ Lines _____
Of the Engrossed Bill

By deleting the content of the entire measure, and by inserting in lieu thereof the following language:

AMEND TITLE TO CONFORM TO AMENDMENTS

Adopted: _____
Amendment submitted by: Cody Maynard _____

Reading Clerk

STATE OF OKLAHOMA

2nd Session of the 60th Legislature (2026)

FLOOR SUBSTITUTE
FOR

HOUSE BILL NO. 3544

By: Maynard, Hildebrant, Olsen,
Pae, Bashore, and Stark of
the House

and

Seifried of the Senate

FLOOR SUBSTITUTE

An Act relating to technology; defining terms;
directing deployers to ensure social artificial
intelligence companions are not knowingly made
available to minors; permitting lawful access by
adults; directing deployers to implement protocols to
prioritize safety and well-being of users;
establishing civil penalties; granting the attorney
general rulemaking authority; providing for
noncodification; providing for codification; and
providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law not to be
codified in the Oklahoma Statutes reads as follows:

The Legislature finds that:

1. Artificial intelligence systems designed to simulate
sustained interpersonal companionship or emotional attachment may

1 present unique risks to minors due to their developmental
2 vulnerability to parasocial bonding;

3 2. The State of Oklahoma has a compelling interest in
4 protecting the health, safety, and well-being of minors; and

5 3. This act is narrowly tailored to restrict access by minors
6 to social AI companions while preserving lawful access by adults and
7 general conversational artificial intelligence systems.

8 SECTION 2. NEW LAW A new section of law to be codified
9 in the Oklahoma Statutes as Section 10 of Title 75A, unless there is
10 created a duplication in numbering, reads as follows:

11 As used in this act:

12 1. "Artificial intelligence" means engineered or machine
13 learning-based system that varies in its level of autonomy and that
14 can, for explicit or implicit objectives, infer from the input it
15 receives how to generate outputs that can influence physical or
16 virtual environments.

17 2. "Social AI companion" means an artificial intelligence
18 system primarily designed or marketed to simulate sustained
19 interpersonal companionship and emotional attachment or romantic
20 interaction with a user as the system's core functionality. The term
21 "Social AI companion" does not include:

22 a. a system used solely for customer service, business
23 operations, productivity, analysis related to source
24

1 information, internal purposes, research purposes, or
2 technical assistance,
3 b. a stand-alone consumer electronic device that
4 incorporates a speaker or voice or text command interface,
5 acts as a virtual assistant, and does not sustain a
6 relationship across multiple interactions and generate
7 outputs intended to create emotional attachment with the
8 user,
9 c. a search engine feature that provides information in
10 response to user queries and is not designed or marketed
11 to simulate companionship,
12 d. a system designed to provide outputs relating to a
13 narrow and discrete functional topic and not primarily
14 intended to simulate interpersonal companionship, or
15 e. a system that is not primarily designed or marketed
16 for companionship where the developer does not control the
17 specific deployment context in which the system interacts
18 with end users.

19 3. "Deployer" means any person, partnership, corporation, or
20 governmental entity that operates, controls, or makes available a
21 social AI companion to users in this state. A deployer does not
22 include a mobile application store, search engine, internet service
23 provider, or provider of general-purpose artificial intelligence
24

models solely because such entity provides access to, hosts, or transmits a system developed or controlled by another person.

4. "Minor" means a person who is under eighteen (18) years of age.

5. "User" means a person who interacts with a social AI companion.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 11 of Title 75A, unless there is created a duplication in numbering, reads as follows:

A. Each deployer:

1. Shall not knowingly, or under circumstances where the deployer reasonably should know, make a social AI companion available to a minor; and

2. Shall implement reasonable measures designed to prevent minors from accessing a social AI companion.

B. Nothing in this section shall be construed to restrict lawful access to such systems by adults.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 12 of Title 75A, unless there is created a duplication in numbering, reads as follows:

A deployer shall adopt a protocol for a social AI companion to respond to user prompts indicating suicidal ideation or threats of self-harm that includes, but is not limited to, making reasonable efforts to provide a response to the user

1 that refers them to crisis service providers such as a suicide
2 hotline, crisis text line, or other appropriate crisis
3 services.

4 SECTION 5. NEW LAW A new section of law to be codified
5 in the Oklahoma Statutes as Section 13 of Title 75A, unless there is
6 created a duplication in numbering, reads as follows:

7 A. Any deployer that violates this act shall be subject to an
8 injunction and disgorgement of profits directly attributable to the
9 violation of this act, and shall be liable for a civil penalty of
10 not more than Two Thousand Five Hundred Dollars (\$2,500.00) for each
11 violation or Seven Thousand Five Hundred Dollars (\$7,500.00) for
12 each intentional violation, which shall be assessed and recovered in
13 a civil action brought by the Attorney General. Each day a
14 violation continues constitutes a separate violation.

15 B. The Attorney General may promulgate any rules necessary to
16 enforce the provisions of this act.

17 SECTION 6. This act shall become effective November 1, 2026.
