

STATE OF OKLAHOMA

2nd Session of the 60th Legislature (2026)

CONFERENCE COMMITTEE SUBSTITUTE
FOR ENGROSSED

SENATE BILL NO. 215

By: Stanley of the Senate

and

Moore of the House

CONFERENCE COMMITTEE SUBSTITUTE

<StartFT>An Act relating to curriculum requirements; amending 70 O.S. 2021, Section 11-103.6, as last amended by Section 1, Chapter 264, O.S.L. 2024 (70 O.S. Supp. 2025, Section 11-103.6), which relates to curriculum requirements for graduation; allowing certain seminar to qualify for certain English unit; allowing certain personal financial literacy unit to be fulfilled by certain course; conforming language; updating statutory language; repealing 70 O.S. 2021, Section 11-103.6, as last amended by Section 166, Chapter 452, O.S.L. 2024 (70 O.S. Supp. 2025, Section 11-103.6), which relates to curriculum requirements for graduation; repealing 70 O.S. 2021, Section 11-103.6, as last amended by Section 1, Chapter 384, O.S.L. 2024 (70 O.S. Supp. 2025, Section 11-103.6), which relates to curriculum requirements for graduation; providing an effective date; and declaring an emergency. <EndFT>

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 70 O.S. 2021, Section 11-103.6, as last amended by Section 1, Chapter 264, O.S.L. 2024 (70 O.S. Supp. 2025, Section 11-103.6), is amended to read as follows:

1 Section 11-103.6. A. 1. The State Board of Education shall
2 adopt subject matter standards for instruction of students in the
3 public schools of this state that are necessary to ensure there is
4 attainment of desired levels of competencies in a variety of areas
5 to include language, mathematics, science, social studies,
6 communication, and health and physical education.

7 2. School districts shall develop and implement curriculum,
8 courses, and instruction in order to ensure that students meet the
9 skills and competencies as set forth in this section and in the
10 subject matter standards adopted by the State Board of Education.

11 3. All students shall gain literacy at the elementary and
12 secondary levels. Students shall develop skills in reading,
13 writing, speaking, computing, and critical thinking. For purposes
14 of this section, critical thinking means a manner of analytical
15 thinking which is logical and uses linear factual analysis to reach
16 a conclusion. They shall learn about cultures and environments -
17 their own and those of others with whom they share the earth. All
18 students shall receive the instruction needed to lead healthy and
19 physically active lifestyles. Students, therefore, shall study
20 social studies, literature, languages, the arts, health,
21 mathematics, and science. Such curricula shall provide for the
22 teaching of a hands-on career exploration program in cooperation
23 with technology center schools.

1 4. The subject matter standards shall be designed to teach the
2 competencies for which students shall be tested as provided in
3 Section 1210.508 of this title~~7~~, and shall be designed to prepare all
4 students for active citizenship, employment ~~and/or,~~ and successful
5 completion of postsecondary education without the need for remedial
6 coursework at the postsecondary level.

7 5. The subject matter standards shall be designed with rigor as
8 defined in paragraph ~~3~~ 6 of subsection ~~G~~ N of this section.

9 6. The subject matter standards for English Language Arts shall
10 give Classic Literature and nonfiction literature equal
11 consideration to other literature. In addition, emphasis shall be
12 given to the study of complete works of literature.

13 7. At a minimum, the subject matter standards for mathematics
14 shall require mastery of the standard algorithms in mathematics,
15 which is the most logical, efficient way of solving a problem that
16 consistently works, and for students to attain fluency in ~~Euclidian~~
17 Euclidean geometry.

18 8. The subject matter standards for history, social studies,
19 and United States Government shall include study of important
20 historical documents~~7~~, including the United States Constitution,
21 Declaration of Independence, Emancipation Proclamation, Federalist
22 Papers and other documents with significant history and heritage of
23 the United States, and the content of the United States
24 naturalization test, with an emphasis on the specific content of the

1 test and the ideas and concepts it references. Beginning with the
2 2022-2023 school year, the United States naturalization test shall
3 be administered in accordance with subsection ~~F~~ M of this section.

4 9. The subject matter standards for United States Government
5 shall include an emphasis on civics, the structure and relationship
6 between the national, state, county, and local governments and
7 simulations of the democratic process. For the purposes of this
8 section, "civics" means the study of the rights and duties of
9 Oklahoma and United States citizens and of how those governments
10 work.

11 10. The subject matter standards for health and physical
12 education shall include, but not be limited to, the domains of
13 physical, emotional, social, and intellectual health. Health
14 literacy shall include the ability to obtain, process, and
15 understand basic health information and services needed to make
16 appropriate health decisions. Health shall also include the
17 importance of proper nutrition and exercise, mental health and
18 wellness, substance abuse, coping skills for understanding and
19 managing trauma, establishing and maintaining positive
20 relationships, and responsible decision making. Physical health
21 literacy shall include the ability to move with competence and
22 confidence in a wide variety of physical activities in multiple
23 environments that benefit the healthy development of the whole
24 person.

1 B. Subject to the provisions of subsection C or D of this
2 section, in order to graduate from a public high school accredited
3 by the State Board of Education with a standard diploma, students
4 enrolled in grades eight through twelve in the 2024-2025 school year

5 shall complete the following college preparatory/work ready
6 curriculum units or sets of competencies at the secondary level:

7 1. Four units or sets of competencies of English to include
8 Grammar, Composition, Literature, an Advanced Placement English
9 seminar, or any English course approved for college admission
10 requirements;

11 2. Three units or sets of competencies of mathematics, limited
12 to Algebra I, Algebra II, Geometry, Trigonometry, Math Analysis,
13 Calculus, Advanced Placement Statistics, or any mathematics course
14 with content ~~and/or~~ and rigor above Algebra I and approved for
15 college admission requirements;

16 3. Three units or sets of competencies of laboratory science
17 approved for college admission requirements including one unit or
18 set of competencies of life science meeting the standards for
19 Biology I; one unit or set of competencies of physical science,
20 meeting the standards for Physical Science, Chemistry, or Physics;
21 and one unit or set of competencies from the domains of physical
22 science, life science, or earth and space science such that the
23 content and rigor is above Biology I or Physical Science;

1 4. Three units or sets of competencies of history and
2 citizenship skills, including one unit of American History, one-half
3 unit of Oklahoma History, one-half unit of United States Government,
4 and one unit from the subjects of History, Government, Geography,
5 Economics, Civics, or non-Western culture and approved for college
6 admission requirements;

7 5. Two units or sets of competencies of the same world or non-
8 English language or two units of computer technology approved for
9 college admission requirements, whether taught at a high school or a
10 technology center school, including computer programming, hardware,
11 and business computer applications, such as word processing,
12 databases, spreadsheets, and graphics, excluding keyboarding or
13 typing courses;

14 6. One additional unit or set of competencies selected from
15 paragraphs 1 through 5 of this subsection or career and technology
16 education courses, concurrently enrolled courses, Advanced Placement
17 courses, or International Baccalaureate courses approved for college
18 admission requirements;

19 7. One-half ~~(1/2)~~ unit or set of competencies of personal
20 financial literacy, as provided in the Passport to Financial
21 Literacy Act, whether taught as an elective course or when taught
22 during instruction as provided in and subject to the standards of
23 subsection A of Section 11-103.6h of this title in coursework
24 offered by the school district or partnering technology center

1 school by a teacher certified in a relevant secondary subject area
2 and taken in the tenth, eleventh, or twelfth grade. The one-half
3 unit in personal financial literacy required by this paragraph may
4 be fulfilled by an Advanced Placement course with content that
5 substantially addresses the areas of instruction required by Section
6 11-103.6h of this title; and

7 8. One unit or set of competencies of fine arts, such as music,
8 art, or drama, or one unit or set of competencies of speech.

9 C. In lieu of the requirements of subsection B or D of this
10 section which requires a college preparatory/work ready curriculum,
11 a student enrolled in grades eight through twelve in the 2024-2025
12 school year may enroll in the core curriculum as provided in this
13 ~~subsection D of this section~~ upon written approval of the parent or
14 legal guardian of the student. For students under the age of
15 eighteen (18), school districts shall require a parent or legal
16 guardian of the student to meet with a designee of the school prior
17 to enrollment in the core curriculum. The State Department of
18 Education shall develop and distribute to school districts a form
19 suitable for this purpose, which shall include information on the
20 benefits to students of completing the college preparatory/work
21 ready curriculum as provided for in subsection B of this section.

22 ~~D. For those students subject to the requirements of subsection~~
23 ~~C of this section, in~~ In order to graduate from a public high school
24 accredited by the State Board of Education with a standard diploma,

1 students enrolled in grades eight through twelve in the 2024-2025
2 school year shall complete the following core curriculum units or
3 sets of competencies at the secondary level:

4 1. Language Arts - Four units or sets of competencies, to
5 consist of one unit or set of competencies of grammar and
6 composition, and three units or sets of competencies which may
7 include, but are not limited to, the following courses:

- 8 a. American Literature,
- 9 b. English Literature,
- 10 c. World Literature,
- 11 d. Advanced English Courses, or
- 12 e. other English courses with content ~~and/or~~ and rigor
13 equal to or above grammar and composition;

14 2. Mathematics - Three units or sets of competencies to consist
15 of one unit or set of competencies of Algebra I or Algebra I taught
16 in a contextual methodology, and two units or sets of competencies
17 which may include, but are not limited to, the following courses:

- 18 a. Algebra II,
- 19 b. Geometry or Geometry taught in a contextual
20 methodology,
- 21 c. Trigonometry,
- 22 d. Math Analysis or Precalculus,
- 23 e. Calculus,
- 24 f. Statistics ~~and/or~~ and Probability,

1 g. Computer Science or acceptance and successful
2 completion of one (1) year of a full-time, three-hour
3 career and technology program leading to an industry
4 credential/certificate or college credit. The State
5 Board of Career and Technology Education shall
6 promulgate rules to define the provisions of this
7 section related to the accepted industry-valued
8 credentials which are industry-endorsed or industry-
9 aligned. The list of accepted industry-valued
10 credentials shall be reviewed annually and updated at
11 least every three (3) years by the Board,

12 h. (1) contextual mathematics courses which enhance
13 technology preparation, or
14 (2) a science, technology, engineering, and math
15 (STEM) block course meeting the requirements for
16 course competencies listed in paragraph 2 of
17 subsection B of this section, whether taught at
18 a:
19 (a) comprehensive high school, or
20 (b) technology center school when taken in the
21 tenth, eleventh, or twelfth grade, taught by
22 a certified teacher, and approved by the
23 State Board of Education and the ~~independent~~
24 school district board of education,

- i. mathematics courses taught at a technology center school by a teacher certified in the secondary subject area when taken in the tenth, eleventh, or twelfth grade upon approval of the State Board of Education and the ~~independent~~ school district board of education, or
- j. any other mathematics course with content ~~and/or~~ and rigor equal to or above Algebra I;

3. Science - Three units or sets of competencies to consist of one unit or set of competencies of Biology I or Biology I taught in a contextual methodology, and two units or sets of competencies in the areas of life, physical, or earth science or technology which may include, but are not limited to, the following courses:

- a. Chemistry I,
- b. Physics,
- c. Biology II,
- d. Chemistry II,
- e. Physical Science,
- f. Earth Science,
- g. Botany,
- h. Zoology,
- i. Physiology,
- j. Astronomy,
- k. Applied Biology/Chemistry,

1. Applied Physics,
- m. Principles of Technology,
- n. qualified agricultural education courses,
- o. (1) contextual science courses which enhance technology preparation, or
- (2) a science, technology, engineering, and math (STEM) block course meeting the requirements for course competencies listed in paragraph 3 of subsection B of this section, whether taught at a:
- (a) comprehensive high school, or
- (b) technology center school when taken in the tenth, eleventh, or twelfth grade, taught by a certified teacher, and approved by the State Board of Education and the ~~independent~~ school district board of education,
- p. science courses taught at a technology center school by a teacher certified in the secondary subject area when taken in the tenth, eleventh, or twelfth grade upon approval of the State Board of Education and the ~~independent~~ school district board of education, or
- q. other science courses with content ~~and/or~~ and rigor equal to or above Biology I;

1 4. Social Studies - Three units or sets of competencies, to
2 consist of one unit or set of competencies of United States History,
3 one-half ~~(1/2)~~ to one unit or set of competencies of United States
4 Government, one-half ~~(1/2)~~ unit or set of competencies of Oklahoma
5 History, and one-half ~~(1/2)~~ to one unit or set of competencies which
6 may include, but are not limited to, the following courses:

7 a. World History,

8 b. Geography,

9 c. Economics,

10 d. Anthropology, or

11 e. other social studies courses with content ~~and/or~~ and
12 rigor equal to or above United States History, United
13 States Government, and Oklahoma History;

14 5. Arts - One unit or set of competencies which may include,
15 but is not limited to, courses in Visual Arts and General Music;

16 6. One-half ~~(1/2)~~ unit or set of competencies of personal
17 financial literacy, as provided in the Passport to Financial
18 Literacy Act, whether taught as an elective course or when taught
19 during instruction as provided in and subject to the standards of
20 subsection A of Section 11-103.6h of this title in coursework
21 offered by the school district or partnering technology center
22 school by a teacher certified in a relevant secondary subject area
23 and taken in the tenth, eleventh, or twelfth grade. The one-half
24 unit in personal financial literacy required by this paragraph may

1 be fulfilled with an Advanced Placement course with content that
2 substantially addresses the areas of instruction required by Section
3 11-103.6h of this title; and

4 7. Computer Education or World Language - One unit or set of
5 competencies of computer technology, whether taught at a high school
6 or a technology center school, including computer programming,
7 hardware, and business computer applications, such as word
8 processing, databases, spreadsheets, and graphics, excluding
9 keyboarding or typing courses, or one unit or set of competencies of
10 world or non-English language.

11 D. Beginning with the 2024-2025 school year, students whose
12 parent or legal guardian approved a modification of the existing
13 graduation track as outlined in subsections B and C of this section,
14 subject to school approval, may complete a minimum of twenty-three
15 curriculum units or sets of competencies at the secondary level as
16 provided for in this subsection. Beginning with students entering
17 the eighth grade in the 2025-2026 school year, in order to graduate
18 from a public high school accredited by the State Board of Education
19 with a standard diploma, students shall complete a minimum of the
20 following twenty-three curriculum units or sets of competencies at
21 the secondary level:

22 1. Four units or sets of competencies of English to include
23 Grammar, Composition, Literature, an Advanced Placement English
24 seminar, or any English course;

1 2. Four units or sets of competencies of mathematics, two of
2 which shall be Algebra I and either Algebra II or Geometry. The
3 remaining two units may include Algebra II, Geometry, Trigonometry,
4 Math Analysis, Calculus, Statistics, Math of Finance, Computer
5 Science, college courses approved for dual credit, an approved full-
6 time postsecondary career and technology program or a locally
7 approved math-based application course, or any mathematics course
8 with content and rigor above Algebra I;

9 3. Three units or sets of competencies of laboratory science
10 approved for college admission requirements including one unit or
11 set of competencies of life science meeting the standards for
12 Biology I; one unit or set of competencies of physical science
13 meeting the standards for Physical Science, Chemistry, or Physics;
14 and one unit or set of competencies from the domains of physical
15 science, life science, earth and space science, or an approved full-
16 time postsecondary career and technology program or a locally
17 approved science-based application course, or any science course
18 with content and rigor above Biology I or Physical Science;

19 4. Three units or sets of competencies of history and
20 citizenship skills including one unit of American History, one-half
21 unit of Oklahoma History, one-half unit of United States Government,
22 and one unit from the subjects of History, Government, Geography,
23 Economics, Civics, or non-Western culture;

1 5. Six pathway units or sets of competencies approved at the
2 discretion of the school district board of education which align
3 with each student's Individual Career and Academic Plan (ICAP) and
4 may include, but are not limited to, any additional units or sets of
5 competencies as provided in paragraphs 1 through 4 of this
6 subsection, world or non-English language, computer technology,
7 Junior Reserve Officers' Training Corps (JROTC), internship or
8 apprenticeship programs, career and technology education courses,
9 concurrently enrolled courses, Advanced Placement courses,
10 International Baccalaureate courses approved for college admission
11 requirements, music, art, drama, speech, dance, media arts, or other
12 approved courses; and

13 6. Three units or sets of competencies of elective courses
14 approved by the school district board of education.

15 E. A school district shall determine the specific description
16 of the locally approved math- and science-based application courses
17 allowed pursuant to paragraphs 2 and 3 of subsection D of this
18 section. Formal notification with the specific course description
19 shall be provided to the State Department of Education prior to July
20 1 of each school year. The notification shall include what courses
21 will be coded as locally approved math- and science-based
22 application courses for the ensuing school year.

23 F. A school district may issue an alternate diploma to a
24 student who meets the definition of a student with the most

1 significant cognitive disabilities and who participates in the
2 Oklahoma Alternate Assessment Program (OAAP) beginning in the 2023-
3 2024 school year. An alternate diploma shall be standards-based,
4 aligned with requirements for a standard diploma, and obtained by
5 the school year in which a student turns twenty-two (22) years of
6 age.

7 ~~F.~~ G. An alternate diploma shall not terminate a Free ~~and~~
8 Appropriate Public Education (FAPE) for students with an
9 Individualized Education Program (IEP) unless they reach the maximum
10 age of FAPE. The IEP team shall determine subsequent courses and
11 services for students who receive an alternate diploma.

12 ~~G.~~ H. Students participating in the OAAP shall not be precluded
13 from attempting to meet the requirements of a standard diploma, and
14 participation in the OAAP shall not determine a student's
15 educational setting under the Individuals with Disabilities
16 Education Act (IDEA).

17 ~~H.~~ I. Students who meet requirements for an alternate diploma
18 may count as having received a standard diploma for purposes of
19 calculating and reporting the adjusted cohort graduation rate ~~(ACGR)~~
20 calculated pursuant to Section 3-151.1 of this title.

21 ~~I.~~ J. A student may be awarded an alternate diploma upon
22 completion of the following curriculum units or sets of competencies
23 at the secondary level:
24

1 1. Language Arts - Four units or sets of competencies based on
2 alternate academic achievement standards to consist of reading
3 literature, reading informational text, writing, speaking and
4 listening, and language in the following courses:

- 5 a. English 1 Alternate,
- 6 b. English 2 Alternate,
- 7 c. English 3 Alternate, and
- 8 d. English 4 Alternate;

9 2. Mathematics - Three units or sets of competencies based on
10 alternate academic achievement standards to consist of number,
11 quantities, algebra, functions/statistics, probability, and geometry
12 in the following courses:

- 13 a. Math Alternate 1,
- 14 b. Math Alternate 2, and
- 15 c. Math Alternate 3;

16 3. Science - Three units or sets of competencies based on
17 alternate academic achievement standards to consist of life science,
18 physical science, and earth science in the following courses:

- 19 a. Life Science Alternate,
- 20 b. Physical Science Alternate, and
- 21 c. Earth Science Alternate;

22 4. Social Studies - Three units or sets of competencies based
23 on alternate academic achievement standards to consist of United
24

1 States History, United States Government, Oklahoma History,
2 Geography, and Social Studies in the following courses:

- 3 a. Social Studies Alternate 1,
- 4 b. Social Studies Alternate 2, and
- 5 c. Social Studies Alternate 3;

6 5. Arts - One unit or set of competencies which may include,
7 but is not limited to, courses in Visual Arts and General Music;

8 6. Computer Education or World Language - One unit or set of
9 competencies of computer technology, whether taught at a high school
10 or a technology center school, including computer programming,
11 hardware, and business computer applications, such as word
12 processing, databases, spreadsheets, and graphics, excluding
13 keyboarding or typing courses, or one unit or set of competencies of
14 world or non-English language;

15 7. Career Readiness - at least two units of Career Readiness,
16 including Career Readiness I, Career Readiness II, Career Readiness
17 III, or Career Readiness IV. Each Career Readiness course may be
18 substituted for Careers/Exploration, Internship I, or Internship II;
19 and

20 8. Life Skills - at least two units of Life Skills, such as
21 Life Skills I, Life Skills II, Life Skills III, or Life Skills IV.
22 Each Life Skills course may be substituted for the Life Skills or
23 Family and Consumer Science courses.

1 ~~J.~~ K. Courses in the core curriculum may be used as a
2 substitute for corresponding courses required by the alternate
3 diploma. Other courses may be substituted as determined by the
4 State Board of Education.

5 ~~K.~~ L. 1. In addition to the curriculum requirements of ~~either~~
6 subsection B, C, or D of this section, in order to graduate from a
7 public high school accredited by the State Board of Education,
8 students shall complete any additional course requirements or
9 recommended elective courses as may be established by the State
10 Board of Education and the school district ~~school~~ board of
11 education. School districts shall strongly encourage students to
12 complete two units or sets of competencies of world languages and
13 two units or sets of competencies of physical and health education.

14 2. No student shall receive credit for high school graduation
15 more than once for completion of the same unit or set of
16 competencies to satisfy the curriculum requirements of this section.

17 3. A school district shall not be required to offer every
18 course listed in subsections B, C, and D of this section but shall
19 offer sufficient courses to allow a student to meet the graduation
20 requirements during the secondary grade years of the student.

21 ~~L.~~ M. 1. In addition to the curriculum requirements of either
22 subsection B, C, or D of this section, beginning with ninth graders
23 in the ~~2021-22~~ 2021-2022 school year, in order to graduate from a
24 public high school accredited by the State Board of Education,

1 students shall pass the United States naturalization test pursuant
2 to the provisions of this subsection.

3 2. School districts shall offer the United States
4 naturalization test to students at least once per school year,
5 beginning as early as eighth grade at the discretion of the school
6 district; provided, any student may retake the exam upon request,
7 and as often as desired, until earning a passing score. For
8 purposes of this subsection, a passing score shall be 60 out of 100
9 questions.

10 3. School districts shall exempt students with disabilities
11 whose ~~individualized education program (IEP)~~ IEP, consistent with
12 state law, indicates that the student is to be assessed with
13 alternate achievement standards through the OAAP.

14 ~~M.~~ N. For purposes of this section:

15 1. "Contextual methodology" means academic content and skills
16 taught by utilizing real-world problems and projects in a way that
17 helps students understand the application of that knowledge;

18 2. "Locally approved" means approved by the school district
19 board of education;

20 3. "Math-based application course" means a course that teaches
21 math content within a real-world application;

22 4. "Pathway unit" means a course taken by a high school student
23 that is aligned with the student's current ICAP;
24

1 5. "Qualified agricultural education courses" means courses
2 that have been determined by the State Board of Education to offer
3 the sets of competencies for one or more science content areas and
4 which correspond to academic science courses. Qualified
5 agricultural education courses shall include, but are not limited
6 to, ~~Horticulture~~ horticulture, ~~Plant~~ plant and ~~Soil Science~~ soil
7 science, ~~Natural Resources~~ natural resources and ~~Environmental~~
8 ~~Science~~ environmental science, and ~~Animal Science~~ animal science.
9 The courses shall be taught by teachers certified in agricultural
10 education and comply with all rules of the Oklahoma Department of
11 Career and Technology Education;

12 ~~3.~~ 6. "Rigor" means a level of difficulty that is thorough,
13 exhaustive and accurate and is appropriate for the grade level;

14 7. "Science-based application course" means a course that
15 teaches science content within a real-world application;

16 ~~4.~~ 8. "Sets of competencies" means instruction in those skills
17 and competencies that are specified in the subject matter standards
18 adopted by the State Board of Education and other skills and
19 competencies adopted by the Board, without regard to specified
20 instructional time; and

21 ~~5.~~ 9. "Unit" means a ~~Carnegie Unit as defined by the North~~
22 ~~Central Association's Commission on Schools~~ course that meets the
23 equivalent of one hundred twenty (120) clock hours within the school
24 year.

1 ~~N. O.~~ 1. The State Board of Education, the State Board of
2 Career and Technology Education, and the Oklahoma State Regents for
3 Higher Education shall adopt a joint plan and electronically submit
4 it to the President Pro Tempore of the Senate and the Speaker of the
5 House of Representatives by January 1, 2025, to ensure that rigor is
6 maintained in the content, teaching methodology, level of
7 expectations for student achievement, and application of learning in
8 all the courses taught to meet the graduation requirements ~~as~~
9 specified in subsection D of this section.

10 2. The State Board of Education shall allow as much flexibility
11 at the district level as is possible without diminishing the rigor
12 or undermining the intent of providing these courses. To accomplish
13 this purpose, the State Department of Education shall work with
14 school districts in reviewing and approving courses taught by
15 districts that are not specifically listed in subsections B, C, and
16 D of this section. Options may include, but shall not be limited
17 to, courses taken by concurrent enrollment, ~~advanced placement~~
18 Advanced Placement, or correspondence, or courses bearing different
19 titles.

20 3. The State Board of Education shall approve an ~~advanced~~
21 ~~placement~~ Advanced Placement computer science course to meet the
22 requirements of course competencies listed in paragraph 2 of
23 subsection B of this section if the course is taken in a student's
24

1 senior year and the student is concurrently enrolled in or has
2 successfully completed Algebra II.

3 4. Technology center school districts may offer programs
4 designed in cooperation with institutions of higher education ~~which~~
5 ~~have an emphasis on a focused field of career study upon approval of~~
6 ~~the State Board of Education and the independent district board of~~
7 ~~education.~~ Students in the tenth grade may be allowed to attend
8 these programs for up to one-half (1/2) of a school day and credit
9 for the units or sets of competencies required in paragraphs 2, 3,
10 6, and 7 of subsection B or ~~or~~ C or paragraphs 2, 3, 5, and 6 of
11 subsection D of this section shall be given if the courses are
12 taught by a teacher certified in the secondary subject area;
13 provided, credit for units or sets of competencies pursuant to
14 subsection B and paragraphs 3 and 5 of subsection D of this section
15 shall be approved for college admission requirements as applicable.

16 5. If a student enrolls in a concurrent enrollment course, the
17 school district shall not be responsible for any costs incurred for
18 that course, unless the school district does not offer enough course
19 selection during the student's secondary grade years to allow the
20 student to receive the courses needed to meet the graduation
21 requirements of this section. If the school district does not offer
22 the necessary course selection during the student's secondary grade
23 years, it shall be responsible for the cost of resident tuition at
24 an institution in The Oklahoma State System of Higher Education,

1 fees, and books for the concurrent enrollment course, and providing
2 for transportation to and from the institution to the school site.

3 It is the intent of the Legislature that for students enrolled
4 in a concurrent enrollment course which is paid for by the school
5 district pursuant to this paragraph, the institution charge only the
6 supplementary and special service fees that are directly related to
7 the concurrent enrollment course and enrollment procedures for that
8 student. It is further the intent of the Legislature that fees for
9 student activities and student service facilities, including the
10 student health care and cultural and recreational service fees, not
11 be charged to such students.

12 6. Credit for the units or sets of competencies required in
13 subsection B, C, or D of this section shall be given when such units
14 or sets of competencies are taken prior to ninth grade if the
15 teachers are certified or authorized to teach the subjects for high
16 school credit and the required rigor is maintained.

17 7. The ~~three~~ units or sets of competencies in mathematics
18 required in subsection B, C, or D of this section ~~shall~~ may be
19 completed ~~in~~ at any time during the ~~ninth~~ eighth through twelfth
20 grades. If a student completes any required courses or sets of
21 competencies in mathematics prior to ~~ninth~~ eighth grade, the student
22 may take any other mathematics courses or sets of competencies to
23 fulfill the requirement to complete ~~three~~ the units or sets of
24 competencies in grades ~~nine~~ eight through twelve after the student

1 has satisfied the requirements of subsection B, C, or D of this
2 section.

3 8. The one-half ~~(1/2)~~ unit or set of competencies in personal
4 financial literacy required in subsection B or ~~D~~ C of this section
5 shall be completed in the tenth, eleventh, or twelfth grade to
6 fulfill the requirements for graduation. The one-half unit in
7 personal financial literacy required by this paragraph may be
8 fulfilled by an Advanced Placement course with content that
9 substantially addresses the areas of instruction required by Section
10 11-103.6h of this title.

11 9. All units or sets of competencies required for graduation
12 may be taken in any sequence recommended by the school district.

13 ~~Ø.~~ P. As a condition of receiving accreditation from the State
14 Board of Education, all students in grades nine through twelve shall
15 enroll in a minimum of six periods, or the equivalent in block
16 scheduling or other scheduling structure that allows for instruction
17 in sets of competencies, of rigorous academic ~~and/or~~ and rigorous
18 vocational courses each day, which may include arts, vocal and
19 instrumental music, speech classes, and physical education classes.

20 ~~P.~~ Q. 1. Academic and vocational-technical courses designed to
21 offer sets of competencies integrated or embedded within the courses
22 that provide for the teaching and learning of the appropriate skills
23 and knowledge in the subject matter standards, as adopted by the
24 State Board of Education, may, upon approval of the Board, in

1 consultation with the Oklahoma Department of Career and Technology
2 Education if the courses are offered at a technology center school
3 district, be counted for academic credit and toward meeting the
4 graduation requirements of this section.

5 2. Internet-based courses offered by a technology center school
6 that are taught by a certified teacher and provide for the teaching
7 and learning of the appropriate skills and knowledge in the subject
8 matter standards may, upon approval of the State Board of Education
9 and the ~~independent~~ school district board of education, be counted
10 for academic credit and toward meeting the graduation requirements
11 of this section.

12 3. Internet-based courses or vocational-technical courses
13 utilizing integrated or embedded skills for which no subject matter
14 standards have been adopted by the State Board of Education may be
15 approved by the Board, in consultation with the Oklahoma Department
16 of Career and Technology Education if the courses are offered at a
17 technology center school district, if such courses incorporate
18 standards of nationally recognized professional organizations and
19 are taught by certified teachers.

20 4. Courses offered by a supplemental education organization
21 that is accredited by a national accrediting body and that are
22 taught by a certified teacher and provide for the teaching and
23 learning of the appropriate skills and knowledge in the subject
24 matter standards may, upon approval of the State Board of Education

1 and the school district board of education, be counted for academic
2 credit and toward meeting the graduation requirements of this
3 section.

4 ~~Q.~~ R. The State Board of Education shall provide an option for
5 high school graduation based upon attainment of the desired levels
6 of competencies as required in tests administered pursuant to the
7 provisions of Section 1210.508 of this title. Such option shall be
8 in lieu of the amount of course credits earned.

9 ~~R.~~ S. The State Board of Education shall prescribe, adopt, and
10 approve a promotion system based on the attainment by students of
11 specified levels of competencies in each area of the core
12 curriculum.

13 ~~S.~~ T. Children who have an IEP pursuant to the IDEA, and who
14 satisfy the graduation requirements through the ~~individualized~~
15 ~~education program~~ IEP for that student shall be awarded a standard
16 diploma.

17 ~~T. Students who enter the ninth grade in or prior to the 2007-~~
18 ~~08 school year who are enrolled in an alternative education program~~
19 ~~and meet the requirements of their plans leading to high school~~
20 ~~graduation developed pursuant to Section 1210.568 of this title~~
21 ~~shall be awarded a standard diploma.~~

22 U. Any student who completes the curriculum requirements of the
23 International Baccalaureate Diploma Program shall be awarded a
24 standard diploma.

1 V. Any student who successfully completes an advanced
2 mathematics or science course offered pursuant to Section 1210.404
3 of this title shall be granted academic credit toward meeting the
4 graduation requirements pursuant to paragraph 2 or 3, as
5 appropriate, of subsection B, C, or D of this section.

6 W. For purposes of this section, the courses approved for
7 college admission requirements shall be courses which are approved
8 by the Oklahoma State Regents for Higher Education for admission to
9 an institution within The Oklahoma State System of Higher Education.

10 X. ~~Students~~ A student who ~~have~~ has been denied a standard
11 diploma by the school district in which the student is or was
12 enrolled for failing to meet the requirements of this section may
13 re-enroll in the school district that denied the student a standard
14 diploma following the denial of a standard diploma. The student
15 shall be provided remediation or intervention and the opportunity to
16 complete the curriculum units or sets of competencies required by
17 this section to obtain a standard diploma. Students who re-enroll
18 in the school district to meet the graduation requirements of this
19 section shall be exempt from the hourly instructional requirements
20 of Section 1-111 of this title and the six-period enrollment
21 ~~requirements~~ requirement of this section.

22 ~~Y. The State Department of Education shall collect and report~~
23 ~~data by school site and district on the number of students who~~
24

1 ~~enroll in the core curriculum as provided in subsection D of this~~
2 ~~section.~~

3 SECTION 2. REPEALER 70 O.S. 2021, Section 11-103.6, as
4 last amended by Section 166, Chapter 452, O.S.L. 2024 (70 O.S. Supp.
5 2025, Section 11-103.6), is hereby repealed.

6 SECTION 3. REPEALER 70 O.S. 2021, Section 11-103.6, as
7 last amended by Section 1, Chapter 384, O.S.L. 2024 (70 O.S. Supp.
8 2025, Section 11-103.6), is hereby repealed.

9 SECTION 4. This act shall become effective July 1, 2026.

10 SECTION 5. It being immediately necessary for the preservation
11 of the public peace, health, or safety, an emergency is hereby
12 declared to exist, by reason whereof this act shall take effect and
13 be in full force from and after its passage and approval.
