SECTION 3. AMENDATORY 36 O.S. 2021, Section 985, is amended to read as follows:

Section 985. Ratemaking Standards.

1 A. A rate may not be excessive, inadequate or unfairly
2 discriminatory.

3 ~~1. No rate in a competitive market may be determined to be~~
4 ~~excessive. A rate in a noncompetitive market may be determined to~~
5 ~~be excessive if it is likely to produce a profit that is~~
6 ~~unreasonably high for the insurance provided~~ A rate may be
7 determined to be excessive if it is unreasonably high for the
8 insurance provided or is unreasonably high in relation to the
9 services rendered.

10 2. A rate may not be determined to be inadequate unless:

- 11 a. the rate is clearly insufficient to sustain projected
12 losses, expenses and special assessments, and
13 b. the rate is unreasonably low and use of the rate by
14 the insurer has tended or, if continued, will tend to
15 create a monopoly in the market.

16 3. Unfair discrimination may be determined to exist if, after
17 allowing for practical limitations, price differentials fail to
18 reflect equitably the differences in expected losses and expenses.
19 A rate may not be determined to be unfairly discriminatory because
20 different premiums result for policyholders with like loss exposures
21 but different expense levels, or like expenses but different loss
22 exposures, or if it averaged broadly among persons insured within a
23 group, franchise or blanket policy or a mass-marketed plan. No rate
24 ~~in a competitive market~~ shall be considered unfairly discriminatory

1 unless it classifies risk on the basis of race, color, creed, ~~or~~
2 national origin, or religion.

3 B. In determining whether rates ~~in a noncompetitive market~~ are
4 excessive, inadequate, or unfairly discriminatory, due consideration
5 may be given to:

6 1. Past and prospective loss experience within and outside this
7 state, in accordance with accepted actuarial principles;

8 2. Conflagration and catastrophe hazards;

9 3. A reasonable margin for underwriting profit and
10 contingencies;

11 4. Loadings for leveling premium rates over time for dividends,
12 savings or unabsorbed premium deposits allowed or returned by
13 insurers to their policyholders, members or subscribers;

14 5. Past and prospective expenses both countrywide and those
15 specially applicable to this state; and

16 6. Provisions for special assessments; and to all other
17 relevant factors including judgment within and outside this state.

18 C. Risks may be grouped by classifications for the
19 establishment of rates and minimum premiums. Classification rates
20 may be modified to produce rates for individual risks in accordance
21 with rating plans which establish standards for measuring variations
22 in hazards or expense provisions, or both. Such standards may
23 measure any differences among risks that can be demonstrated to have
24 a probable effect upon losses or expenses. No risk classification

1 however, may be based on race, creed, national origin, or the
2 religion of the insured.

3 D. The expense provisions included in the rates for use by an
4 insurer or group of insurers may differ from those of any other
5 insurer or group of insurers to reflect the requirements of the
6 operating methods of the insurer or group of insurers.

7 E. The rates may contain provision for contingencies and an
8 allowance permitting a reasonable profit. In determining the
9 reasonableness of the profit, consideration shall be given to the
10 investment income attributable to the line of insurance.

11 F. Risks may be classified in any way except that no risk may
12 be classified on the basis of race, color, creed, ~~or~~ national
13 origin, or religion.

14 SECTION 4. AMENDATORY 36 O.S. 2021, Section 986, is
15 amended to read as follows:

16 Section 986. Rate Administration.

17 ~~A. In only those markets found to be noncompetitive pursuant to~~
18 ~~Section 984 of this title, insurers~~ Insurers and advisory
19 organizations shall file with the Commissioner and the Commissioner
20 shall review reasonable rules and plans for recording and reporting
21 their rates, loss and expense experience and other information
22 determined by the Commissioner to be necessary or appropriate for
23 the administration of the Property and Casualty Competitive Loss
24 Cost Rating Act. The Commissioner may designate one or more

1 advisory organizations or other agencies to assist in gathering such
2 experience and making compilation thereof.

3 B. Reasonable rules and plans may be promulgated by the
4 Commissioner for the exchange of data necessary for the development
5 and application of rating plans.

6 C. In order to further uniform administration of rate
7 regulatory laws, the Commissioner and every insurer and advisory
8 organization may exchange information and experience data with
9 insurance supervisory officials, insurers and advisory organizations
10 in other states and may consult with them with respect to the
11 application of rating systems.

12 D. Cooperation among advisory organizations or among advisory
13 organizations and insurers in ratemaking or in other matters within
14 the scope of the Property and Casualty Competitive Loss Cost Rating
15 Act is authorized. The Commissioner may review such cooperative
16 activities and practices, and if, after a hearing, any such activity
17 or practice is found to violate the provisions of the Property and
18 Casualty Competitive Loss Cost Rating Act, a written order may be
19 issued specifying that such activity or practice violates the
20 provisions of this act and requiring the discontinuance of such
21 activity.

6 provided, that the rates and supplementary rate information need not
7 be filed for commercial risks, which by general custom are not
8 written according to manual rules or rating plans.

9 B. ~~In a noncompetitive market, every insurer shall file with~~
10 ~~the Commissioner all rates, supplementary rate information and~~
11 ~~supporting information at least thirty (30) days before the proposed~~
12 ~~effective date.~~ The Commissioner may give written notice, within
13 ~~thirty (30)~~ sixty (60) days of receipt of the filing, that the
14 Commissioner needs additional time, not to exceed ~~thirty (30)~~ sixty
15 (60) days from the date of the notice to consider the filing. Upon
16 written application of the insurer, the Commissioner may authorize
17 rates to be effective before the expiration of the waiting period or
18 an extension thereof. A filing shall be deemed to meet the
19 requirements of the Property and Casualty Competitive Loss Cost
20 Rating Act and to become effective unless disapproved pursuant to
21 this title by the Commissioner before the expiration of the waiting
22 period or an extension thereof.

23 ~~In a noncompetitive market, the filing shall be deemed in~~

Every authorized insurer shall file with the Commissioner, except as to rates for those lines of insurance exempted from the provisions of the Property and Casualty Competitive Loss Cost Rating Act by the Commissioner under subsections ~~E~~ C and ~~F~~ D of this section and except for those risks designated as special risks under Section 997 of this title, all rates, supplementary rate information, any additional information requested by the Insurance Commissioner, and any changes and amendments which it proposes to use. An insurer may file its rates by either filing its final rates or by filing a multiplier and, if applicable, an expense constant adjustment to be applied to prospective loss costs that have been filed by an advisory organization as permitted by this title. Such loss cost multiplier filing and expense constant filings made by insurers shall remain in effect until amended or withdrawn by the insurer. Every filing shall state the effective date.

~~D.~~ C. Under rules as may be adopted, the Commissioner may, by written order, suspend or modify the requirement of filing as to any kind of insurance, subdivision or combination thereof, or as to classes of risks.

1 ~~E.~~ D. Notwithstanding any other provision of the Property and
2 Casualty Competitive Loss Cost Rating Act, upon the written consent
3 of the insured in a separate written document, a rate in excess of
4 that determined in accordance with the other provisions of the
5 Property and Casualty Competitive Loss Cost Rating Act may be used
6 on a specific risk.

7 ~~F.~~ E. A filing and any supporting information required to be
8 filed shall be open to public inspection ~~once the filing becomes~~
9 ~~effective~~ except information marked confidential, trade secret, or
10 proprietary by the insurer or filer ~~and except the filings of an~~
11 ~~advisory organization which shall be open to public inspection upon~~
12 ~~the received date of the rate, loss cost, or manual rule change.~~
13 The insurer or filer shall have the burden of asserting to the
14 Commissioner that a filing and supporting information are
15 confidential, upon the request of the Commissioner. The
16 Commissioner may disapprove of the insurer's request for
17 confidential filing status.

18 SECTION 6. AMENDATORY 36 O.S. 2021, Section 989, is

1 this section, that the rate is excessive, inadequate, or unfairly
2 discriminatory pursuant to Section 985 of this title.

3 ~~2. The Commissioner may disapprove a rate for use in a~~
4 ~~noncompetitive market only if the Commissioner finds, pursuant to~~
5 ~~subsection B of this section, that the rate is excessive, inadequate~~
6 ~~or unfairly discriminatory under this subsection.~~

7 B. ~~Procedures for disapproval.~~

8 1. Prior to the expiration of a waiting period or an extension
9 thereof, made pursuant to subsection B of Section 987 of this title,
10 the Commissioner may disapprove, by written order, rates filed
11 pursuant to subsection B of Section 987 of this title with notice
12 and opportunity for a hearing. The order shall specify in what
13 respects the filing fails to meet the requirements of this act. Any
14 insurer whose rates are disapproved pursuant to this section shall
15 be given a hearing upon written request made within thirty (30) days
16 of disapproval.

17 2. If, at any time after a rate is effective, the Commissioner
18 finds that a rate applicable to insurance ~~sold in a noncompetitive~~
19 ~~market~~ does not comply with the standards set forth in Section 985
20 of this title, the Commissioner may, after a hearing held upon not
21 less than twenty (20) days' written notice, issue an order ~~pursuant~~
22 ~~to subsection C of this section~~, disapproving such rate. The
23 hearing notice shall be sent to every insurer and advisory
24 organization that adopted the rate and shall specify the matters to

1 be considered at the hearing. The disapproval order shall not
2 affect any contract or policy made or issued prior to the effective
3 date set forth in the order.

4 ~~3. If, at any time, the Commissioner finds that a rate~~
5 ~~applicable to insurance sold in a competitive market is inadequate~~
6 ~~or unfairly discriminatory under paragraph 2 or 3 of subsection A of~~
7 ~~Section 985 of this title, the Commissioner may issue an order~~
8 ~~pursuant to subsection C of this section disapproving the rate. The~~
9 ~~order shall not affect any contract or policy made or issued prior~~
10 ~~to the effective date set forth in the order.~~

11 ~~C. Order of disapproval.~~

12 ~~If the Commissioner disapproves a rate pursuant to subsection B~~
13 ~~of this section, the Commissioner shall issue an order within thirty~~
14 ~~(30) days of the close of the hearing specifying in what respects~~
15 ~~the rate fails to meet the requirements of this act. The order~~
16 ~~shall state an effective date no sooner than thirty (30) business~~
17 ~~days after the date of the order when the use of the rate shall be~~
18 ~~discontinued. This order shall not affect any policy made before~~
19 ~~the effective date of the order.~~

20 ~~D. Appeal of orders and establishment of reserves.~~

21 If an order of disapproval is appealed pursuant to Section 990
22 of this title, the insurer may implement the disapproved rate upon
23 notification to the court, in which case any excess of the
24 disapproved rate over a rate previously in effect shall be placed in

1 a reserve established by the insurer. The court shall have control
2 over the disbursement of funds from such reserve. The funds shall
3 be distributed as determined by the court in its final order except
4 that de minimus refunds to policyholders shall not be required.

5 ~~E.~~ D. All determinations made by the Commissioner under this
6 section shall be on the basis of findings of fact and conclusions of
