7 An Act relating to professions and occupations;
8 creating the Swimming Pool Contractor Licensing Act;
9 authorizing the Construction Industries Board to
10 implement, administer, and enforce swimming pool
11 contractor licensure; defining terms; establishing
12 fees; providing for the adoption of necessary rules;
13 providing for codification; and providing an
14 effective date.

15 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

16 SECTION 1. NEW LAW A new section of law to be codified
17 in the Oklahoma Statutes as Section 1025 of Title 59, unless there
18 is created a duplication in numbering, reads as follows:

19 This act shall be known and may be cited as the "Swimming Pool
20 Contractor Licensing Act".

21 SECTION 2. NEW LAW A new section of law to be codified
22 in the Oklahoma Statutes as Section 1025.1 of Title 59, unless there
23 is created a duplication in numbering, reads as follows:

24 A. The Construction Industries Board is authorized and directed
to administer the swimming pool contractor provisions of the

Swimming Pool Contractor Licensing Act and exercise all incidental powers provided in the Construction Industries Board Act, Chapter 26A of Title 59 of the Oklahoma Statutes, that are necessary and proper to implement and enforce the provisions of the Swimming Pool Contractor Licensing Act and the rules promulgated pursuant thereto.

B. The Construction Industries Board shall have the authority to administer and enforce the provisions of the Swimming Pool Contractor Licensing Act in accordance with the powers set forth in Chapter 26A of Title 59 of the Oklahoma Statutes, and specifically Section 1000.4 of Title 59 of the Oklahoma Statutes, including, but not limited to, the authority to make, prescribe, enforce, amend, and repeal rules governing the licensure of swimming pool contractors, which includes establishing minimum qualifications, license categories and limitations, establishing fines and penalties for violations, initiating disciplinary proceedings, and enforcing the provisions of this act.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1025.2 of Title 59, unless there is created a duplication in numbering, reads as follows:

A. As used in the Swimming Pool Contractor Licensing Act:

1. "Swimming pool" means a permanent in-ground spa or any permanent in-ground structure intended for swimming; and

1 2. "Swimming pool contractor" means an individual person who
2 offers to engage in, by advertisement or otherwise, or engages in
3 the installation of a permanent in-ground spa or swimming pool.

4 B. On or after the promulgation of regulations required
5 pursuant to subsection C of this section, no person shall build or
6 install a swimming pool unless such person holds a swimming pool
7 contractor license issued by the Construction Industries Board. A
8 swimming pool contractor license regulates the minimum occupational
9 qualifications of a person to perform swimming pool contractor work.
10 The swimming pool contractor license does not regulate swimming
11 pools, and the swimming pool contractor license shall not be used
12 duplicitously or used in place of or as a substitute for plan
13 review, installation standards and permitting requirements, or other
14 provisions for swimming pools that are regulated by other
15 governmental entities, political subdivisions, or authorities having
16 jurisdiction, as specifically provided for in Section 1-1022 of
17 Title 63 of the Oklahoma Statutes.

18 C. Not later than November 1, 2027, the Construction Industries
19 Board shall adopt regulations necessary, in accordance with Section
20 2 of this act, to implement the provisions of the Swimming Pool
21 Contractor Licensing Act including, but not limited to, establishing
22 the amount and type of experience, training, continuing education,
23 general liability insurance, compliance with workers' compensation
24 requirements, examination requirements for a person to obtain and

1 renew a swimming pool contractor license, and defining categories
2 and limitations for such licenses.

3 D. A person licensed as a swimming pool contractor, pursuant to
4 the Swimming Pool Contractor Licensing Act, shall not perform
5 plumbing, electrical, or mechanical work that is outside the scope
6 of adopted industry standards for swimming pool work, is covered by
7 the state-adopted International Plumbing Code, NFPA 70,
8 International Fuel Gas Code, or International Residential Code,
9 involves a direct connection to a public water supply, sanitary
10 sewer, electrical service, or natural gas supply, or any plumbing,
11 electrical, or mechanical work requiring an Oklahoma plumbing,
12 electrical, or mechanical license, unless such person is licensed to
13 perform such work pursuant to the Plumbing License Law of 1955, the
14 Electrical License Act, or the Mechanical Licensing Act. Swimming
15 pool work does not require a plumbing license, shall be considered
16 part of swimming pool construction, and may be performed by a
17 licensed swimming pool contractor when the piping is associated
18 solely with a closed-loop swimming pool circulation system,
19 including piping between the pool vessel, circulation equipment, and
20 related components from a point or location in a source of potable
21 water supply at which point or location there exists a backflow
22 preventer, provided that the piping or piping system provides water
23 used exclusively for the swimming pool and is subject to a plan
24

1 review, permitting, or building code inspection by the authority
2 having jurisdiction or the State Department of Health.

3 E. On and after the adoption of regulations required pursuant
4 to subsection C of this section, any person applying to the
5 Construction Industries Board for a swimming pool contractor license
6 shall be issued such license without examination upon demonstration
7 by the applicant of proof of experience and training equivalent to
8 the experience and training required to qualify for examination for
9 such license, have paid the application and license fees, and have
10 otherwise complied with the applicable requirements including
11 insurance, and disclosure of any suspension, revocation, or pending
12 disciplinary action of any other professional or occupational
13 license, if such applicant makes application to the Construction
14 Industries Board not later than November 1, 2027.

15 F. The application fee, initial fee, and renewal fee for a
16 swimming pool contractor license shall be the same as the fees for
17 plumbing, electrical, and mechanical contractors as set forth in
18 Section 1000.5 of Title 59 of the Oklahoma Statutes. The initial
19 licensure and fee shall be prorated by month to expire on the last
20 day of the birth month of the licensee. Subsequently, all licenses
21 shall be valid for a period of one (1) year and shall expire on the
22 last day of the birth month of the licensee.

23 G. All licenses shall be nontransferable. No person shall
24 engage or offer to engage in, by advertisement or otherwise, any

1 swimming pool contractor work who does not possess a valid and
2 appropriate license from the Construction Industries Board. No
3 business entity shall act as a swimming pool contractor firm unless
4 a swimming pool contractor is associated with and responsible for
5 all swimming pool contractor work of such entity.

6 H. Complaints, violations, enforcement authority, procedures,
7 and fines and penalties shall be governed by Section 1000.4 of Title
8 59 of the Oklahoma Statutes and the Construction Industries Board
9 industry regulations fine schedule. A swimming pool contractor
10 licensee who is disciplined pursuant to Section 1-1013.2 or 1-1022
11 of Title 63 of the Oklahoma Statutes must immediately report it to
12 the Construction Industries Board for investigation for reciprocal
13 or independent disciplinary action.

14 I. Each license holder shall utilize a valid written contract
15 when engaging in the business of swimming pool contractor work with
16 a property owner, lessee, or property manager.

17 J. No unlicensed swimming pool contractor, or swimming pool
18 contractor who has not maintained licensure pursuant to this act,
19 shall bring or maintain any claim, action, suit, or proceeding in
20 any court of this state related to the person's business or capacity
21 as a swimming pool contractor without a valid swimming pool
22 contractor license, when required, continuously while performing the
23 work for which the claim, action, suit, or proceeding is sought, as
24 provided in the Swimming Pool Contractor Licensing Act.

1 K. Any person may file a written duly verified complaint
2 alleging violations of the Swimming Pool Contractor Licensing Act.
3 Allegations involving fraud, larceny, or any act or failure to act
4 that would involve criminal misconduct are to be submitted directly
5 to the Office of the Attorney General or the local district attorney
6 for investigation and prosecution of any alleged criminal violation.

7 L. Any advance payment or deposit paid for future swimming pool
8 supplies, materials, or swimming pool contractor work to be
9 performed in the future in an amount more than Ten Thousand Dollars
10 (\$10,000.00) is presumed to be intentionally deceptive unless the
11 swimming pool contractor provides verifiable documentation
12 supporting the costs to be covered by the pre-payment amount.

13 M. The Construction Industries Board shall not have authority
14 to pursue restitution or provide civil remedies for violations of
15 this act, contract performance or failure to perform, or
16 workmanship. Allegations alleging a violation of the occupational
17 licensing provisions of the Swimming Pool Contractor Licensing Act
18 may be received by the Board and shall be on a complaint form
19 approved by the Board. The complaint shall set forth the alleged
20 act or omission and a statement of sufficient facts upon which a
21 reasonable person could conclude that the act or omission has been
22 committed. All complaints filed with the Board shall be subject to
23 the Open Records Act. Nothing in this section shall be construed to
24

1 require the complainant to first file a complaint with the Board
2 before seeking relief or remedies allowed by law.

3 N. Licensing by reciprocity shall be in accordance with the
4 provisions of Section 1000.5a of Title 59 of the Oklahoma Statutes.

5 O. All fees, administrative fines, or payments of any type
6 received by the Construction Industries Board under the Swimming
7 Pool Contractor Licensing Act shall be deposited in a revolving fund
8 to be designated as the "Swimming Pool Contractor Revolving Fund"
9 and are hereby appropriated and may be expended by the Construction
10 Industries Board for the purpose of implementing, administering, and
11 enforcing the Swimming Pool Contractor Licensing Act and for
12 implementing programs designed to further the efficiency of the
13 swimming pool contractor profession and public understanding of the
14 profession. The fund shall be a continuing fund, not subject to
15 fiscal year limitations. Expenditures from the fund shall be made
16 upon warrants issued by the State Treasurer against claims filed as
17 prescribed by law with the Director of the Office of Management and
18 Enterprise Services for approval and payment.

19 SECTION 4. This act shall become effective November 1, 2026.
