9 Ten Dollars (\$10.00) for each additional license plate. Use of the
10 used dealer license plate by a licensed dealer for other than the
11 purposes as set forth herein shall constitute grounds for revocation
12 of the dealer's license. Service Oklahoma shall design the official
13 used dealer license plate to include the used dealer's license
14 number issued to him or her each year by Service Oklahoma or the
15 Oklahoma Used Motor Vehicle, Dismantler, and Manufactured Housing
16 Commission.

17 B. Upon the purchase or transfer of ownership of an out-of-
18 state used motor vehicle, travel trailer or commercial trailer to a
19 licensed dealer, the dealer shall make application for an Oklahoma
20 certificate of title pursuant to the Oklahoma Vehicle License and
21 Registration Act, Section 1101 et seq. of this title. Upon receipt
22 of the Oklahoma certificate of title, the dealer shall follow the
23 procedure as set forth in subsection A of this section. Provided,
24 nothing in this title shall be construed as requiring a dealer to

1 register a used motor vehicle, travel trailer or commercial trailer
2 purchased in another state which will not be operated or sold in
3 this state.

4 C. Upon sale or transfer of ownership of the used motor vehicle
5 or travel trailer, the dealer shall place upon the reassignment
6 portion of the certificate of title a tax stamp issued by the county
7 treasurer of the county in which the dealer has his or her primary
8 place of business. The tax stamp shall be issued upon payment of a
9 fee of Three Dollars and fifty cents (\$3.50) and shall be in lieu of
10 the dealer's ad valorem tax on the inventories of used motor
11 vehicles or travel trailers but shall not relieve any other property
12 of the dealer from ad valorem taxation.

13 D. Upon sale of a used motor vehicle or travel trailer to
14 another licensed dealer, the selling dealer shall place the tax
15 stamp required in subsection C of this section upon the certificate
16 of title. The used dealer license plate or wholesale dealer license
17 plate shall be removed by the selling dealer. The purchasing dealer
18 shall, at time of purchase, place his or her dealer license plate on
19 the used motor vehicle, travel trailer or commercial trailer as
20 provided in subsection A of this section; provided, for vehicles,
21 travel trailers or commercial trailers purchased by a licensed used
22 dealer at an auction, in lieu of such placement of the dealer
23 license plate, the auction may provide temporary documentation as
24 approved by the Director of the Motor Vehicle Division of Service

Oklahoma for the purpose of transporting such vehicle to the purchaser's point of destination. Such temporary documentation shall be valid for two (2) days following the date of sale.

E. 1. The purchaser of every used motor vehicle, travel trailer, or commercial trailer, except as otherwise provided by law, shall obtain registration and title for the vehicle or trailer within two (2) months from the date of purchase of same. It shall be the responsibility of the selling dealer to place a temporary license plate, in size similar to the permanent Oklahoma license plate but of a ten-mil weatherproof plastic-impregnated paper approved by the Oklahoma Used Motor Vehicle, Dismantler, and Manufactured Housing Commission, upon a used motor vehicle, travel trailer or commercial trailer when a transaction is completed for the sale of such vehicle. Provided, upon a determination by the Commission that there exists a national shortage of ten-mil weatherproof plastic-impregnated paper, eight-mil weatherproof plastic-impregnated paper may be approved by the Commission until it has been determined by the Commission the shortage has ended. The temporary license plate under this subsection shall be placed at the location provided for the permanent motor vehicle license plate. The temporary license plate shall show the license number which is issued to the dealer each year by Service Oklahoma or the Oklahoma Used Motor Vehicle, Dismantler, and Manufactured Housing Commission, the date of expiration, and the company name of the selling dealer.

1 2. The Oklahoma Used Motor Vehicle, Dismantler, and
2 Manufactured Housing Commission is hereby directed to develop the
3 motor vehicle temporary license plate design to incorporate these
4 requirements in a manner that will permit law enforcement personnel
5 to readily identify the dealer license number and date of
6 expiration. The Oklahoma Used Motor Vehicle, Dismantler, and
7 Manufactured Housing Commission is hereby authorized to develop
8 additional requirements and parameters as deemed appropriate to
9 discourage or prevent illegal duplication and use of the temporary
10 license plate. Such motor vehicle temporary license plate shall be
11 valid for a period of ten (10) days from the date of purchase. Use
12 of the motor vehicle temporary license plate by a dealer for other
13 than the purposes set forth herein shall constitute grounds for
14 revocation of the dealer's license to conduct business. Purchasers
15 of a commercial trailer shall affix the commercial trailer temporary
16 license plate to the rear of the commercial trailer. The purchaser
17 of a motor vehicle shall display the motor vehicle temporary license
18 plate for a period not to exceed ten (10) days or until registration
19 and title are obtained as provided in this section. The purchaser
20 of a commercial trailer shall display the commercial trailer
21 temporary license plate for a period not to exceed two (2) months or
22 until registration and title are obtained as provided in this
23 section.

5 if the vehicle is purchased from a licensed Oklahoma dealer seller,
6 no license plate shall be issued and instead the dealer seller shall
7 issue a sixty-day temporary license plate at the time of purchase.

8 The nonresident purchaser shall be allowed to operate the vehicle or
9 trailer within the state with a temporary license plate for a period
10 not to exceed ten (10) days from date of purchase. Any nonresident
11 purchaser found to be operating a used motor vehicle, travel
12 trailer, or commercial trailer within this state after two (2)
13 months shall be subject to the registration fees of this state upon
14 the same terms and conditions applying to residents of this state.
15 Additionally, within two (2) business days of the date of the sale
16 or transfer of the vehicle or trailer, the parties shall submit the
17 requisite documentation to Service Oklahoma or licensed operator
18 identifying the vehicle or trailer subject to the sale or transfer,
19 purchaser information, and any associated license plate on the
20 vehicle, pursuant to the requirements of Section 1112.2 of this
21 title.

22 F. It shall be unlawful for any dealer to procure the
23 registration and licensing of any used motor vehicle, travel trailer
24 or commercial trailer sold by the dealer or to act as the agent for

1 the purchaser in the procurement of the registration and licensing
2 of the purchaser's used vehicle, travel trailer, or commercial
3 trailer. A license of any dealer violating the provision of this
4 section may be revoked.

5 G. Dealers following the procedure set forth herein shall not
6 be required to register vehicles, travel trailers, or commercial
7 trailers to which this section applies, nor will the registration
8 fee otherwise required be assessed. Provided, dealers shall not
9 purchase or trade for a used motor vehicle, travel trailer, or
10 commercial trailer on which the registration therefor has been
11 expired for a period exceeding two (2) months without obtaining
12 current registration therefor.

13 H. A nonprofit charitable organization which is exempt from

21 by the Commission that there exists a national shortage of ten-mil
22 weatherproof plastic-impregnated paper, eight-mil weatherproof
23 plastic-impregnated paper may be approved by the Commission until it
24 has been determined by the Commission the shortage has ended.

1 Except for cab and chassis trucks, the temporary license plate under
