Any applicant who has been registered, is in good standing with the Board, and possesses a current commercial roofer endorsement ~~on the effective date of this act~~ January 1, 2027, shall be exempt from the residential roofing examination and additional ten (10) hours of continuing education credits required to receive a residential roofing endorsement.

C. Any applicant initially failing to pass the examination shall not be permitted to take another examination for a period of thirty (30) days. E. For all new applicants not registered and in good standing with the ~~Construction Industries Board~~ on or prior to the effective date of this act January 1, 2027, the ~~Construction Industries Board~~ shall issue a residential roofer endorsement to qualifying applicants no sooner than thirty (30) days from the date of successful completion of the exam. New applicants shall not be allowed to sell, offer, bid, inspect, or perform any residential roofing contractor work in this state until a residential roofer endorsement is issued.

F. For all applicants registered and in good standing with the ~~Construction Industries Board~~ on or prior to the effective date of this act January 1, 2027:

1. The residential roofer endorsement shall be issued immediately upon compliance with the provisions of this section; and
