BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 70 O.S. 2021, Section 1210.508A,
as amended by Section 3, Chapter 411, O.S.L. 2024 (70 O.S. Supp.
2025, Section 1210.508A), is amended to read as follows:

1 Section 1210.508A. Sections 1210.508A through ~~1210.508H~~
2 1210.508J of this title shall be known and may be cited as the
3 "Strong Readers Act".

4 SECTION 2. AMENDATORY 70 O.S. 2021, Section 1210.508B,
5 as amended by Section 4, Chapter 411, O.S.L. 2024 (70 O.S. Supp.
6 2025, Section 1210.508B), is amended to read as follows:

7 Section 1210.508B. A. The Legislature finds that it is
8 essential for children in the public schools to read early and well
9 in elementary school. The Legislature further finds that clear and
10 visible goals, assessments to determine the reading level at each
11 elementary school, use of a scientifically based and researched
12 methodology in reading instruction in addition to regular and
13 periodic measurements of elementary school reading improvement, and
14 accountability in each level of the educational system will result
15 in a significant increase in the number of children reading at or
16 above grade level.

17 B. The purpose of the Strong Readers Act is to ensure that
18 progression from one grade to another is determined, in part, upon
19 proficiency in reading, that school district board of education
20 policies facilitate reading instruction and intervention services to
21 address student reading needs, and that each student and his or her
22 parent or legal guardian be informed of that student's reading
23 progress. It is the intent of the Legislature that every student
24 reads at or above grade level by the end of third grade.

1 C. To carry out the purpose of this act, it is the intent of
2 the Legislature that the identification, instruction, and
3 intervention required under the Strong Readers Act be implemented
4 within a multi-tiered system of supports (MTSS) framework that
5 emphasizes strong core literacy instruction for all students and
6 provides increasing levels of instructional intensity based on
7 student need and demonstrated response to instruction.

8 D. It is further the intent of the Legislature that strong core
9 literacy instruction consists of explicit, systematic instruction in
10 foundational reading and writing skills including phonological
11 awareness, decoding, encoding, spelling, sentence-level writing,
12 language development, fluency, vocabulary, and comprehension,
13 recognizing the reciprocal relationship between reading and writing
14 proficiency.

15 E. Each public school district in this state shall ensure that
16 all students receive a well-rounded education that is focused on
17 building deep foundations in reading, writing, and mathematics. The
18 State Board of Education shall ~~encourage~~ require school districts to
19 integrate the teaching of the other curricular areas in the subject
20 matter standards adopted by the Board with the instruction of
21 reading, writing, and mathematics. All teachers of reading in the
22 public schools in this state in kindergarten through third grade
23 shall ~~incorporate into instruction the five elements of reading~~
24 ~~instruction which are phonological awareness, decoding, fluency,~~

1 ~~vocabulary, and comprehension~~ provide systematic and explicit
2 instruction in the five elements of reading, which are phonological
3 awareness, decoding, fluency, vocabulary, and comprehension, using
4 high quality instructional materials grounded in the science of
5 reading, selected from a list of approved materials maintained by
6 the State Board of Education.

7 ~~D.~~ F. It is the intent of the Legislature that beginning with
8 the 2025-2026 school year, school districts and charter schools in
9 this state shall be prohibited from using the three-cueing system
10 model of teaching students to read. For the purposes of this
11 section, the "three-cueing system" means any model of teaching
12 students to read based on meaning, structure, syntax, and visual
13 cues, which may also be known as meaning, structure, and visual
14 (MSV), balanced literacy, or whole language.

15 SECTION 3. NEW LAW A new section of law to be codified
16 in the Oklahoma Statutes as Section 1210.508B-1 of Title 70, unless
17 there is created a duplication in numbering, reads as follows:

18 A. As used in the Strong Readers Act:

19 1. "Grade-level targets" means the grade-specific benchmark
20 scores established for the screening instrument selected by the
21 State Board of Education in coordination with the Commission for
22 Educational Quality and Accountability;

1 2. "Highly qualified teacher" means a teacher or provider with
2 appropriate training and demonstrated competency in evidence-based
3 reading intervention;

4 3. "Literacy coach" means an educator with demonstrated
5 expertise in evidence-based literacy instruction who provides job-
6 embedded professional learning, modeling, observation, and feedback
7 to teachers to strengthen core instruction and intervention
8 practices within a multi-tiered system of supports framework. The
9 primary responsibility of a literacy coach is to support educators
10 and administrators in improving instructional practices and
11 schoolwide literacy systems. A literacy coach shall not serve in a
12 supervisory or evaluative capacity to maintain a nonevaluative role
13 that fosters professional trust and growth;

14 4. "Multi-tiered system of supports" or "MTSS" means a
15 framework that provides strong core literacy instruction to all
16 students and increasingly intensive levels of instructional support
17 based on student need and demonstrated response to instruction;

18 5. "Reading deficiency" means performance below grade-level
19 targets on a screening or diagnostic assessment indicating that a
20 student is not meeting grade-level expectations in one or more
21 reading skill areas;

22 6. "Reading interventionist" means an educator trained in
23 evidence-based reading instruction who provides supplemental or
24 intensive intervention to students identified with a reading

1 deficiency or significant reading deficiency, aligned to student
2 data and delivered in addition to core instruction;

3 7. "Reading specialist" means an educator who has completed
4 advanced preparation in literacy instruction and assessment and is
5 responsible for designing, delivering, and monitoring targeted and
6 intensive reading intervention services, as well as supporting
7 teachers in addressing reading deficiencies across grade levels. A
8 reading specialist shall have completed a graduate-level specialist
9 degree in reading or literacy and passed the applicable
10 certification examination and shall hold a valid teaching
11 certificate with a reading specialist endorsement;

12 8. "Science of reading" means the body of scientifically based
13 research conducted over several decades and across multiple
14 countries, drawing from multiple disciplines including cognitive
15 psychology, linguistics, neuroscience, and education, that explains
16 how individuals learn to read and write. The science of reading
17 informs instructional practices that are explicit, systematic, and
18 cumulative, and are aligned to the development of phonological
19 awareness, decoding, fluency, vocabulary, comprehension, written
20 expression, and oral language development;

21 9. "Significant reading deficiency" means a reading deficiency
22 that persists despite supplemental intervention and indicates a need
23 for intensive intervention based on student data and response to
24 instruction;

1 10. "Tier 1 - Core Instruction" or "Tier 1" means:

- 2 a. the evidence-based reading instruction provided to all
3 students as part of the general education program.
4 Tier 1 instruction shall include high-quality,
5 standards-aligned literacy instruction grounded in the
6 science of reading and delivered during the regular
7 instructional day,
8 b. Tier 1 shall include universal screening in
9 kindergarten through third grade and ongoing
10 assessment used to identify students who may require
11 additional instructional support. Tier 1 may also
12 include targeted instructional supports delivered
13 within the core instructional setting to address
14 emerging reading needs, and
15 c. Tier 1 instruction is intended to meet the needs of
16 the majority of students through strong classroom
17 instruction and prevention-focused supports;

18 11. "Tier 2 - Supplemental Intervention" or "Tier 2" means:

- 19 a. targeted reading intervention provided in addition to
20 Tier 1 core instruction for students identified
21 through screening and progress-monitoring data as
22 requiring additional instructional support to meet
23 grade-level reading expectations. Tier 2 intervention
24 shall:

- (1) provide additional instructional time beyond Tier 1 core instruction,
 - (2) be delivered in small-group settings, typically consisting of three to five students, using evidence-based instructional practices aligned with the science of reading,
 - (3) target specific skill deficits identified through assessment data, and
 - (4) include regular progress monitoring to determine the effectiveness of the intervention and guide instructional adjustments, and
 - b. a student shall be designated as receiving Tier 2 supplemental intervention only when the student is actively participating in scheduled intervention services beyond Tier 1 instruction; and
12. "Tier 3 - Intensive Intervention" or "Tier 3" means:
- a. individualized or highly targeted reading intervention provided in addition to Tier 1 core instruction and Tier 2 supplemental intervention for students demonstrating a significant reading deficiency. Tier 3 intervention shall:
 - (1) provide substantially increased instructional intensity and frequency beyond Tier 2 supports,

- (2) be delivered in individualized or small group settings, typically consisting of one to three students,
- (3) be guided by diagnostic assessment to address specific reading skill deficits, and
- (4) include frequent progress monitoring to evaluate student response to intervention and guide instructional decision-making, and

b. a student shall be designated as receiving Tier 3 intensive intervention only when the student is actively participating in scheduled intensive intervention services beyond Tier 1 instruction.

B. The State Board of Education shall promulgate rules establishing implementation guidance for each tier defined in paragraphs 10 through 12 of subsection A of this section including expectations related to instructional time, group size, documentation requirements, and progress-monitoring practices necessary to ensure the effective delivery of intervention services.

SECTION 4. AMENDATORY 70 O.S. 2021, Section 1210.508C, as last amended by Section 2, Chapter 297, O.S.L. 2025 (70 O.S. Supp. 2025, Section 1210.508C), is amended to read as follows:

Section 1210.508C. A. To identify students who have a reading deficiency or characteristics of dyslexia that lead to or cause reading difficulty, each student enrolled in kindergarten and first,

1 second, and third grade in a public school in this state shall be
2 screened at the beginning, middle, and end of each school year for
3 monitoring of progress and for measurement of reading skills
4 ~~including, but not limited to, phonological awareness, decoding,~~

9 reading achievement level for each student; and

10 8. Is capable of reporting student-level data to the State
11 Department of Education and the Office of Educational Quality and
12 Accountability.

13 B. In determining which screening instrument to approve and
14 utilize, the ~~State Board of Education,~~ the Commission for
15 Educational Quality and Accountability, and the ~~Secretary~~ State
16 Board of Education shall take into consideration at a minimum the
17 following factors:

18 1. The time required to conduct the screening instrument with
19 the intention of minimizing the impact on instructional time;

20 2. The timeliness in reporting screening instrument results to
21 teachers, administrators, and parents and legal guardians of
22 students; ~~and~~

4 program (IEP) indicates that participation in the statewide student
5 assessment system is not appropriate, consistent with state law;

6 2. Students identified as English language learners who have
7 had less than two (2) consecutive school years of instruction in an
8 English-learner program;

9 3. Students with disabilities who participate in the statewide
10 English Language Arts assessment and who have an IEP that reflects
11 that the student has received reading intervention for more than two
12 (2) school years but still demonstrates a reading deficiency, or who
13 was previously retained for one (1) year in kindergarten, first,
14 second, or third grade; and

15 4. Students who have received reading intervention services for
16 two (2) or more years but still demonstrate a reading deficiency,
17 and who were previously retained in kindergarten, first, second, or

11 SECTION 11. AMENDATORY 70 O.S. 2021, Section 1210.508A,
12 as amended by Section 3, Chapter 411, O.S.L. 2024 (70 O.S. Supp.
13 2025, Section 1210.508A), is amended to read as follows:

14 Section 1210.508A. Sections 1210.508A through ~~1210.508H~~
15 1210.508J of this title shall be known and may be cited as the
16 "Strong Readers Act".

17 SECTION 12. AMENDATORY 70 O.S. 2021, Section 1210.508B,
18 as amended by Section 4, Chapter 411, O.S.L. 2024 (70 O.S. Supp.
19 2025, Section 1210.508B), is amended to read as follows:

20 Section 1210.508B. A. The Legislature finds that it is
21 essential for children in the public schools to read early and well
22 in elementary school. The Legislature further finds that clear and
23 visible goals, assessments to determine the reading level at each
24 elementary school, use of a scientifically based and researched
methodology in reading instruction in addition to regular and
periodic measurements of elementary school reading improvement, and

1 accountability in each level of the educational system will result
2 in a significant increase in the number of children reading at or
3 above grade level.

4 B. The purpose of the Strong Readers Act is to ensure that
5 progression from one grade to another is determined, in part, upon
6 proficiency in reading, that school district board of education
7 policies facilitate reading instruction and intervention services to
8 address student reading needs, and that each student and his or her
9 parent or legal guardian be informed of that student's reading
10 progress. It is the intent of the Legislature that every student
11 reads at or above grade level by the end of third grade.

12 C. To carry out the purpose of this act, it is the intent of
13 the Legislature that the identification, instruction, and
14 intervention required under the Strong Readers Act be implemented
15 within a multi-tiered system of supports (MTSS) framework that
16 emphasizes strong core literacy instruction for all students and
17 provides increasing levels of instructional intensity based on
18 student need and demonstrated response to instruction.

19 D. It is further the intent of the Legislature that strong core
20 literacy instruction consists of explicit, systematic instruction in
21 foundational reading and writing skills including phonological
22 awareness, decoding, encoding, spelling, sentence-level writing,
23 language development, fluency, vocabulary, and comprehension,
24

1 recognizing the reciprocal relationship between reading and writing
2 proficiency.

3 E. Each public school district in this state shall ensure that
4 all students receive a well-rounded education that is focused on
5 building deep foundations in reading, writing, and mathematics. The
6 State Board of Education shall encourage school districts to
7 integrate the teaching of the other curricular areas in the subject
8 matter standards adopted by the Board with the instruction of
9 reading, writing, and mathematics. All teachers of reading in the
10 public schools in this state in kindergarten through third grade
11 shall incorporate into instruction the five elements of reading
12 instruction which are phonological awareness, decoding, fluency,
13 vocabulary, and comprehension.

14 ~~D.~~ F. It is the intent of the Legislature that beginning with
15 the 2025-2026 school year, school districts and charter schools in
16 this state shall be prohibited from using the three-cueing system
17 model of teaching students to read. For the purposes of this
18 section, the "three-cueing system" means any model of teaching
19 students to read based on meaning, structure, syntax, and visual
20 cues, which may also be known as meaning, structure, and visual
21 (MSV), balanced literacy, or whole language.

22 SECTION 13. NEW LAW A new section of law to be codified
23 in the Oklahoma Statutes as Section 1210.508B-1 of Title 70, unless
24 there is created a duplication in numbering, reads as follows:

1 A. As used in the Strong Readers Act:

2 1. "Grade-level targets" means the grade-specific benchmark
3 scores established for the screening instrument selected by the
4 State Board of Education in coordination with the Commission for
5 Educational Quality and Accountability;

6 2. "Highly qualified teacher" means a teacher or provider with
7 appropriate training and demonstrated competency in evidence-based
8 reading intervention;

9 3. "Literacy coach" means an educator with demonstrated
10 expertise in evidence-based literacy instruction who provides job-
11 embedded professional learning, modeling, observation, and feedback
12 to teachers to strengthen core instruction and intervention
13 practices within a multi-tiered system of supports framework. The
14 primary responsibility of a literacy coach is to support educators
15 and administrators in improving instructional practices and
16 schoolwide literacy systems. A literacy coach shall not serve in a
17 supervisory or evaluative capacity to maintain a non-evaluative role
18 that fosters professional trust and growth;

19 4. "Multi-tiered system of supports" or "MTSS" means a
20 framework that provides strong core literacy instruction to all
21 students and increasingly intensive levels of instructional support
22 based on student need and demonstrated response to instruction;

23 5. "Reading deficiency" means performance below grade-level
24 targets on a screening or diagnostic assessment indicating that a

1 student is not meeting grade-level expectations in one or more
2 reading skill areas;

3 6. "Reading interventionist" means an educator trained in
4 evidence-based reading instruction who provides supplemental or
5 intensive intervention to students identified with a reading
6 deficiency or significant reading deficiency, aligned to student
7 data and delivered in addition to core instruction;

8 7. "Reading specialist" means an educator who has completed
9 advanced preparation in literacy instruction and assessment and is
10 responsible for designing, delivering, and monitoring targeted and
11 intensive reading intervention services, as well as supporting
12 teachers in addressing reading deficiencies across grade levels. A
13 reading specialist shall have completed a graduate-level specialist
14 degree in reading or literacy and passed the applicable
15 certification examination and shall hold a valid teaching
16 certificate with a reading specialist endorsement;

17 8. "Science of reading" means the body of scientifically based
18 research conducted over several decades and across multiple
19 countries, drawing from multiple disciplines including cognitive
20 psychology, linguistics, neuroscience, and education, that explains
21 how individuals learn to read and write. The science of reading
22 informs instructional practices that are explicit, systematic, and
23 cumulative, and are aligned to the development of phonological
24

1 awareness, decoding, fluency, vocabulary, comprehension, written
2 expression, and oral language development;

3 9. "Significant reading deficiency" means a reading deficiency
4 that persists despite supplemental intervention and indicates a need
5 for intensive intervention based on student data and response to
6 instruction;

7 10. "Tier 1 - Core Instruction" or "Tier 1" means:

8 a. the evidence-based reading instruction provided to all
9 students as part of the general education program.

10 Tier 1 instruction shall include high-quality,
11 standards-aligned literacy instruction grounded in the
12 science of reading and delivered during the regular
13 instructional day,

14 b. Tier 1 shall include universal screening in
15 kindergarten through third grade and ongoing
16 assessment used to identify students who may require
17 additional instructional support. Tier 1 may also
18 include targeted instructional supports delivered
19 within the core instructional setting to address
20 emerging reading needs, and

21 c. Tier 1 instruction is intended to meet the needs of
22 the majority of students through strong classroom
23 instruction and prevention-focused supports;

24 11. "Tier 2 - Supplemental Intervention" or "Tier 2" means:

1 a. targeted reading intervention provided in addition to
2 Tier 1 core instruction for students identified
3 through screening and progress-monitoring data as
4 requiring additional instructional support to meet
5 grade-level reading expectations. Tier 2 intervention
6 shall:

7 (1) provide additional instructional time beyond Tier
8 1 core instruction,

9 (2) be delivered in small-group settings, typically
10 consisting of three to five students, using
11 evidence-based instructional practices aligned
12 with the science of reading,

13 (3) target specific skill deficits identified through
14 assessment data, and

15 (4) include regular progress monitoring to determine
16 the effectiveness of the intervention and guide
17 instructional adjustments, and

18 b. a student shall be designated as receiving Tier 2
19 supplemental intervention only when the student is
20 actively participating in scheduled intervention
21 services beyond Tier 1 instruction; and

22 12. "Tier 3 - Intensive Intervention" or "Tier 3" means:

23 a. individualized or highly targeted reading intervention
24 provided in addition to Tier 1 core instruction and

1 Tier 2 supplemental intervention for students
2 demonstrating a significant reading deficiency. Tier
3 3 intervention shall:

4 (1) provide substantially increased instructional
5 intensity and frequency beyond Tier 2 supports,

6 (2) be delivered in individualized or small group
7 settings, typically consisting of one to three
8 students,

9 (3) be guided by diagnostic assessment to address
10 specific reading skill deficits, and

11 (4) include frequent progress monitoring to evaluate
12 student response to intervention and guide
13 instructional decision-making, and

14 b. a student shall be designated as receiving Tier 3
15 intensive intervention only when the student is
16 actively participating in scheduled intensive
17 intervention services beyond Tier 1 instruction.

18 B. The State Board of Education shall promulgate rules
19 establishing implementation guidance for each tier defined in
20 paragraphs 10 through 12 of subsection A of this section including
21 expectations related to instructional time, group size,
22 documentation requirements, and progress-monitoring practices
23 necessary to ensure the effective delivery of intervention services.
24

SECTION 14. AMENDATORY 70 O.S. 2021, Section 1210.508C,
as last amended by Section 2, Chapter 297, O.S.L. 2025 (70 O.S.
Supp. 2025, Section 1210.508C), is amended to read as follows:

Section 1210.508C. A. To identify students who have a reading
deficiency or characteristics of dyslexia that lead to or cause
reading difficulty, each student enrolled in kindergarten and first,
second, and third grade in a public school in this state shall be
screened at the beginning, middle, and end of each school year for
monitoring of progress and for measurement of reading skills
~~including, but not limited to, phonological awareness, decoding,~~
~~fluency, vocabulary, and comprehension. A screening instrument~~

Educational Quality and Accountability. The State Board of
Education shall select one screening instrument approved by the
Commission to be utilized for the purposes of this section.

The selected screening instrument shall meet the following
criteria:

1. Can assess for phonological awareness, sound-symbol
recognition, alphabet knowledge, rapid naming skills, decoding and

1 encoding skills, oral reading accuracy and fluency, vocabulary, and
2 comprehension, as developmentally appropriate;

3 2. Can document the validity and reliability of each
4 assessment;

5 3. Can identify students who are at risk for reading and math
6 deficiency and monitor student progress throughout the school year;

7 4. Can be linked to, and can accurately predict, performance on
8 the Oklahoma School Testing Program;

9 5. Is normed beyond elementary grades;

10 6. Can assess students with disabilities and English language
11 learners;

12 7. Is accompanied by a data management system that provides
13 profiles of each student, class, grade level, and school building.

14 The profiles shall identify the instructional point of need and
15 reading achievement level for each student;

16 8. Is capable of reporting student-level data to the State
17 Department of Education and the Office of Educational Quality and
18 Accountability; and

19 9. Cannot be completed autonomously by a student on an
20 electronic device.

21 B. In determining which screening instrument to approve and
22 utilize, the ~~State Board of Education, the~~ Commission for
23 Educational Quality and Accountability, and the ~~Secretary~~ State
24

1 Board of Education shall take into consideration at a minimum the
2 following factors:

3 1. The time required to conduct the screening instrument with
4 the intention of minimizing the impact on instructional time;

5 2. The timeliness in reporting screening instrument results to
6 teachers, administrators, and parents and legal guardians of
7 students; ~~and~~

8 3. The integration of the screening instrument into reading and
9 math curriculum.

10 ~~B. Beginning in the 2025-2026 school year, the State Board of~~
11 ~~Education shall approve no fewer than three screening instruments~~
12 ~~for use at the beginning, middle, and end of the school year for~~
13 ~~monitoring of progress and for measurement of reading skills as~~
14 ~~required in subsection A of this section. The screening instruments~~
15 ~~shall meet the following criteria:~~

16 1. ~~Assess for phonological awareness, decoding, fluency,~~
17 ~~vocabulary, and comprehension;~~

18 2. ~~Document the validity and reliability of each assessment;~~

19 3. ~~Can be used for identifying students who are at risk for~~
20 ~~reading deficiency and progress monitoring throughout the school~~
21 ~~year;~~

22 4. ~~Can be used to assess students with disabilities and English~~
23 ~~language learners; and~~

1 ~~5. Accompanied by a data management system that provides~~
2 ~~profiles of each student, class, grade level, and school building.~~
3 ~~The profiles shall identify each student's instructional point of~~
4 ~~need and reading achievement level. The State Board shall also~~
5 ~~determine other comparable reading assessments for diagnostic~~
6 ~~purposes to be used for students at risk of reading failure; and~~

7 4. The ability to report all reading screening results to both
8 the State Department of Education and the Office of Educational
9 Quality and Accountability.

10 C. 1. Exemptions to the screening requirements of this section
11 may be provided to students who have documented evidence that they
12 meet at least one of the following criteria as related to the
13 provision of classroom instruction:

- 14 a. the student participates in the Oklahoma Alternate
15 Assessment Program (OAAP) and is taught using
16 alternate methods,
- 17 b. the student's primary expressive or receptive
18 communication is sign language,
- 19 c. the student's primary form of written or read text is
20 Braille, or
- 21 d. the student's primary expressive or receptive language
22 is not English, the student is identified as an
23 English learner using a state-approved identification
24 assessment, and the student has had less than one (1)

1 school year of instruction in an English-learner
2 program.

3 2. A public school that grants an exemption pursuant to
4 paragraph 1 of this subsection shall provide ongoing evidence of
5 student progression toward English language acquisition with the
6 same frequency as administration of screening assessments. Evidence
7 may include, but not be limited to, student progression toward OAAP
8 reading essential elements, proficiency in sign language and reading
9 comprehension, and proficiency in Braille and reading comprehension.

10 D. 1. Students who are administered a screening instrument
11 pursuant to subsection A of this section and are found not to be
12 meeting grade-level targets shall be provided a program of reading
13 ~~instruction designed to enable students to acquire the appropriate~~
14 ~~grade-level reading skills. The program of reading instruction~~
15 ~~shall be based on scientific reading research and align with the~~
16 ~~subject matter standards adopted by the State Board of Education. A~~
17 ~~program of reading instruction shall include:~~

- 18 a. ~~sufficient additional in-school instructional time for~~
19 ~~the acquisition of phonological awareness, decoding,~~
20 ~~fluency, vocabulary, and comprehension,~~
21 b. ~~if necessary and if funding is available, tutorial~~
22 ~~instruction after regular school hours, on Saturdays,~~
23 ~~and during summer; however, such instruction may not~~
24 ~~be counted toward the one-hundred-eighty-day or one~~

~~thousand-eighty-hour school year required in Section 1-109 of this title,~~

- ~~e. assessments identified for diagnostic purposes and periodic monitoring to measure the acquisition of reading skills including, but not limited to, phonological awareness, decoding, fluency, vocabulary, and comprehension, as identified in the student's program of reading instruction,~~

- ~~e. a means of providing every family of a student in prekindergarten, kindergarten, and first, second, and third grade access to free online evidence-based literacy instruction resources to support the student's literacy development at home. intervention services, as determined by their individual reading intervention plan. Such reading intervention services shall not occur during math instruction.~~

2. A student enrolled in kindergarten or first, second, or third grade who exhibits a ~~deficiency in~~ reading deficiency at any time based on the screening instrument administered pursuant to subsection A of this section and any fourth-grade student promoted for good cause pursuant to subsection L of this section shall receive an individual reading intervention plan no later than thirty

1 (30) days after the identification of the ~~deficiency in~~ reading
2 deficiency. The reading intervention plan shall be provided in
3 addition to ~~core~~ Tier 1 reading instruction that is provided to all
4 students. The reading intervention plan shall:

- 5 a. describe the ~~research-based~~ reading intervention
6 services the student will receive to remedy the
7 ~~deficiency in~~ reading deficiency,
- 8 b. provide explicit and systematic instruction in
9 phonological awareness, decoding, fluency, vocabulary,
10 and comprehension, as applicable,
- 11 c. monitor the reading progress of each student's reading
12 skills throughout the school year and adjust
13 instruction according to the student's needs, and
- 14 d. continue until the student is determined to be meeting
15 grade-level targets in reading based on the screening
16 ~~instruments~~ instrument administered pursuant to
17 subsection A of this section or assessments identified
18 for diagnostic purposes and periodic monitoring
19 ~~pursuant to subparagraph c of paragraph 1 of this~~
20 ~~subsection~~ by the State Board of Education.

21 3. The reading intervention plan for each student identified
22 with a ~~deficiency in~~ reading deficiency shall be developed by a
23 Student Reading Proficiency Team and shall include supplemental
24

1 instructional services and supports. Each team shall be composed
2 of:

- 3 a. the parent or legal guardian of the student,
- 4 b. the teacher assigned to the student who had
5 responsibility for reading instruction in that
6 academic year,

15 ~~of any student in kindergarten or first, second, or third grade who~~
16 ~~exhibits a deficiency in reading at any time based on the screening~~
17 ~~instrument administered pursuant to subsection A of this section.~~
18 ~~The notification shall occur no later than thirty (30) days after~~
19 ~~the identification of the deficiency in reading. The State Board of~~
20 Education, in consultation with the Office of Educational Quality
21 and Accountability, shall annually define and set benchmarks for
22 screening instrument results that are predictive of future
23 performance on the state summative assessment to assist in
24 identifying intervention tiers within a reading intervention plan.

1 Annually, the Office of Educational Quality and Accountability shall
2 analyze and report to the State Department of Education the
3 correlation of screening instrument tiers to state summative tiers
4 using predictive modeling and prior year formative and summative
5 testing results.

6 5. Reading intervention shall not be provided solely by digital
7 technology. Reading intervention shall include a majority of direct
8 instruction from a teacher or reading specialist trained in the
9 science of reading.

10 E. 1. Every school district shall adopt and implement a
11 district strong readers plan which has had input from school
12 administrators, teachers, and parents and legal guardians, and ~~if~~
13 ~~possible~~ a reading specialist or interventionist, and which shall be
14 submitted electronically to and approved by the State Board of
15 Education. The plan shall be updated annually if changes have been
16 made to the plan. ~~School districts shall not be required to~~
17 ~~electronically submit the annual updates to the Board if the last~~
18 ~~plan submitted to the Board was approved and expenditures for the~~
19 ~~program include only expenses relating to individual and small group~~
20 ~~tutoring, purchase of and training in the use of screening and~~
21 ~~assessment measures, summer school programs, and Saturday school~~
22 ~~programs. If any expenditure for the program is deleted or changed~~
23 ~~or any other type of expenditure for the program is implemented, the~~
24 ~~school district shall be required to submit the latest annual update~~

1 ~~to the Board for approval.~~ The district strong readers plan shall
2 include a plan for each site which includes an analysis of the data
3 provided by the Oklahoma School Testing Program and other reading
4 assessments utilized as required in this section, and which outlines
5 how each school site will comply with the provisions of the Strong
6 Readers Act.

7 2. The State Board of Education shall adopt rules for the

11 ~~F. 1. Any first-grade, second-grade, or third-grade student~~
12 ~~who demonstrates proficiency in reading through a grade-level~~
13 ~~appropriate screening instrument approved pursuant to subsection B~~
14 ~~of this section shall not require a program of reading instruction~~
15 ~~or an individual reading intervention plan. After a student has~~
16 ~~demonstrated proficiency through a screening instrument, the~~
17 ~~district shall provide notification to the parent or legal guardian~~
18 ~~of the student that he or she has satisfied the requirements of the~~
19 ~~Strong Readers Act. The district shall continue to monitor the~~
20 ~~student in the next successive grade level to ensure he or she~~
21 ~~maintains proficiency.~~

22 ~~2. Beginning with the 2025-2026 school year, if a third-grade~~
23 ~~student is identified at any point of the academic year as having a~~
24 ~~significant reading deficiency, which shall be defined as not~~

~~meeting grade-level targets on a screening instrument administered pursuant to subsection A of this section, the district shall provide the student with intensive intervention services for the appropriate amount of the instructional day consistent with the individual reading intervention plan developed pursuant to paragraph 2 of subsection D of this section and as determined by the Student Reading Proficiency Team. Intensive intervention services shall continue until the student demonstrates proficiency at his or her grade level based on a screening instrument administered pursuant to subsection A of this section.~~

~~G.~~ 1. Beginning with the 2027-2028 school year:

- a. if a first-grade student has demonstrated the need for reading intervention services and is not meeting grade-level targets by the end of the first grade, the district shall place the student in a stand-alone transitional second-grade classroom or promote the student to second grade while providing targeted transitional intervention instruction in pull-out sessions, and
- b. if a second-grade student has demonstrated the need for reading intervention services and is not meeting grade-level targets by the end of the second grade, the district shall place the student in a stand-alone transitional third-grade classroom or promote the

1 student to third grade while providing targeted
2 transitional intervention instruction in pull-out
3 sessions.

4 2. If a student is subject to the provisions of paragraph 1 of
5 this subsection, the family of the student shall be provided with
6 the option for the student to attend a summer tutoring program or a
7 summer reading academy. The State Department of Education shall
8 also approve one or two online or workbook-based summer tutoring
9 programs for use by students under this paragraph. School districts
10 shall also provide the parents or legal guardians of the student
11 with a list of summer literacy programs available if a summer
12 academy, as described in Section 1210.508E of this title, is not
13 offered by the school district.

14 G. Each school district shall annually report in an electronic
15 format to the State Department of Education, the Office of
16 Educational Quality and Accountability, and the Secretary of
17 Education the number of students in kindergarten through third grade
18 per grade level who exhibit grade-level reading proficiency, the
19 number of students per grade level who received ~~intensive~~ reading
20 ~~intervention services pursuant to paragraph 2 of subsection F~~ D of
21 this section, the number of students per grade level who attended a
22 summer academy as provided for in Section 1210.508E of this title,
23 the number of students per grade level who exhibited improved
24 reading proficiency after completion of ~~intensive~~ reading

1 intervention services, and the number of students per grade level
2 who are still in need of ~~intensive~~ reading intervention services.
3 The State Department of Education shall publicly report the
4 aggregate and district-specific numbers submitted pursuant to this
5 subsection on its website and shall provide electronic copies of the
6 report to the Governor, Secretary of Education, President Pro
7 Tempore of the Senate, Speaker of the House of Representatives, and
8 to the respective chairs of the committees with responsibility for
9 common education policy in each legislative chamber.

10 H. The parent or legal guardian of any student who is found to
11 have a reading deficiency ~~and is not meeting grade-level reading~~
12 ~~targets~~ and has been provided a program of reading ~~instruction~~
13 intervention services as provided for in paragraph 1 of subsection D
14 of this section shall be notified in writing ~~of~~ no later than thirty
15 (30) days after the identification of the reading deficiency. The
16 notification shall be accompanied by the individual reading
17 intervention plan developed in paragraph 2 of subsection D of this
18 section. The notification shall include the following:

19 1. That the student has been identified as having a ~~substantial~~
20 ~~deficiency in~~ reading deficiency;

21 2. A description of the current services that are provided to
22 the student pursuant to subsection D of this section;

23 3. A description of the proposed ~~intensive~~ reading intervention
24 services and supports that will be provided to the student that are

1 designed to remediate the identified area of reading deficiency as
2 provided for in ~~paragraph 2~~ of subsection ~~F~~ D of this section;

3 4. That the parent or legal guardian shall be informed in
4 writing of the progress of the student toward grade-level reading at
5 least every thirty (30) days and provided with strategies to assist
6 at home;

7 5. That if the child's reading deficiency is not remediated by
8 the end of third grade, the child shall not be promoted to fourth
9 grade unless a good-cause exemption is met;

10 6. That a student who is promoted to the fourth grade for good
11 cause shall receive supplemental intensive reading intervention
12 services unless he or she is a student who meets the definition of a
13 student with the most significant cognitive disabilities;

14 ~~5. Strategies~~ 7. A description of the specific skill deficits
15 of the child and strategies for parents or legal guardians to use in
16 helping their child succeed in reading proficiency; and

17 ~~6. 8.~~ The grade-level performance scores of the student; and

18 9. That while the statewide English Language Arts assessment is
19 the initial determinate for promotion, students may be provided with
20 an alternative reading assessment option that is recommended by the
21 Commission for Educational Quality and Accountability and approved
22 by the State Department of Education to demonstrate sufficient
23 reading skills for promotion to fourth grade.
24

1 I. No student may be assigned to a grade level based solely on
2 age or other factors that constitute social promotion.

3 J. 1. Any incoming third-grade student identified with a
4 reading deficiency shall be provided reading intervention services
5 to remedy his or her specific reading deficiency. Intervention
6 services shall include effective instructional strategies to
7 accelerate student progress and be delivered by a highly qualified
8 teacher.

9 2. Public school districts shall review individual reading
10 intervention plans for all incoming third-grade students identified
11 with a reading deficiency. The review shall address additional
12 supports and services the student will receive. The supports and
13 services shall include reading instruction and reading intervention
14 services and supports to correct any identified area of reading
15 deficiency.

16 K. 1. Beginning with the 2027-2028 school year, third-grade
17 students shall demonstrate sufficient reading skills for promotion
18 to fourth grade. Students shall be provided the following options
19 to demonstrate sufficient reading skills for promotion to fourth
20 grade:

- 21 a. scoring above the below basic level on the third-grade
22 statewide English Language Arts assessment, or
23 b. earning an acceptable score on an alternative
24 standardized reading assessment as recommended by the

Commission for Educational Quality and Accountability
and approved by the State Board of Education.

2. If the third-grade student cannot demonstrate sufficient
reading skills on one of the two options described in paragraph 1 of
this subsection and does not qualify for a good-cause exemption, the
student shall be retained in the third grade for the next school
year. Screening instruments described in this section shall not be
used for promotion purposes.

L. The school district board of education may only exempt
students from mandatory third-grade retention, as provided in
subsection K of this section, for good cause. A student who is
promoted to fourth grade with a good-cause exemption, except for
students who meet the definition of a student with the most
significant cognitive disabilities, shall continue to receive
reading intervention services that includes specific reading
strategies prescribed in the student's individual reading
intervention plan until the deficiency is remedied. The school
district shall assist schools and teachers with the implementation
of reading strategies that research has shown to be successful in
improving reading among students with reading difficulties. Good-
cause exemptions shall be limited to the following:

1. Students identified as English language learners who have
had less than two (2) consecutive years of instruction in an
English-learner program;

1 2. Students with disabilities who participate in the statewide
2 English Language Arts assessment and who have an individualized
3 education program (IEP) that reflects that the student has received
4 intensive reading intervention for more than two (2) years but still
5 demonstrates a reading deficiency, or who was previously retained
6 for one (1) year in kindergarten, first, second, or third grade; and

7 3. Students who have received reading intervention services for
8 two (2) or more years but still demonstrate a reading deficiency,
9 and who were previously retained in kindergarten, first, second, or
10 third grade for a total of two (2) years. No student shall be
11 retained twice in third grade.

12 M. Requests to exempt students from the mandatory third-grade
13 retention requirement, as provided in subsection K of this section,
14 using one of the good-cause exemptions, as described in subsection L
15 of this section, shall be made consistent with the following:

16 1. Documentation shall be submitted from the student's teacher
17 to the school principal indicating that the promotion of the student
18 is appropriate. Such documentation shall consist only of the good-
19 cause exemption being requested and the existing reading
20 intervention plan or IEP;

21 2. The school principal shall review and discuss the
22 recommendation for exemption with the student's teacher. If the
23 principal determines that the student meets one of the good-cause
24 exemptions based on the discussion and documentation provided, the

1 school principal shall make such recommendation in writing to the
2 school district superintendent. The school district superintendent
3 shall accept or reject the school principal's recommendation in
4 writing; and

5 3. The parents or legal guardians of a third-grade student
6 eligible for a good-cause exemption may choose that the student be
7 retained for one (1) year even if the school district superintendent
8 accepts a recommendation for a good-cause exemption pursuant to this
9 subsection.

10 N. The school district shall provide written notification to
11 the parent or legal guardian of any student who is retained. Such
12 notification shall state that his or her child has not met the
13 reading level required for promotion to the fourth grade, the
14 reasons the child is not eligible for a good-cause exemption, and
15 that his or her child will be retained in third grade. The
16 notification shall include a description of the proposed reading
17 intervention services that will be provided to the child to remedy
18 the identified areas of reading deficiency in the retained year.

19 O. 1. Students that are withdrawn from public school to bypass
20 third-grade retention requirements, as outlined in subsection K of
21 this section, shall be subject to screening upon return to the
22 public school system to determine appropriate grade level upon re-
23 entry.

1 2. If a third-grade student subject to retention as provided
2 for in subsection K of this section transfers to a public school
3 district, a charter school, or a virtual charter school, the
4 requirements to retain the student in third grade shall not be
5 altered by the receiving school.

6 P. Beginning with the 2027-2028 school year, students retained
7 under the provisions of subsection K of this section shall be
8 provided reading intervention services to remedy the student's
9 specific reading deficiency. The reading intervention services
10 shall include effective instructional strategies to accelerate
11 student progress. Each school district shall conduct a review of
12 student reading intervention plans for all students retained in
13 third grade. The review shall address additional supports and
14 services needed to remedy the identified areas of reading deficiency
15 and ensure the following are provided to retained students:

16 1. A teacher with appropriate training and demonstrated
17 competency in evidence-based reading intervention. School districts
18 with only one third-grade teacher are exempt from the requirements
19 of this paragraph;

20 2. Reading intervention services and supports to correct the
21 identified areas of reading deficiency;

22 3. One of the following intervention supports:

23 a. a transitional instructional setting designed to
24 produce learning gains sufficient to meet fourth-grade

1 performance standards in all other core academic areas
2 while continuing to correct the areas of reading
3 deficiency,

4 b. before- or after-school supplemental research-based
5 reading intervention delivered by a teacher or tutor
6 with specialized reading training, or

7 c. summer academy programs designed to ensure that
8 participating students successfully complete grade-
9 level competencies in reading to enhance next-grade
10 readiness; and

11 4. A "Read at Home" plan as created by the Office of
12 Educational Quality and Accountability shall be outlined in a
13 parental or legal guardian notification, including participation in
14 parent or legal guardian training workshops or regular parent-guided
15 or legal guardian-guided home reading activities which are aligned
16 to scientifically based reading research.

17 Q. 1. Each school district board of education shall annually
18 publish on the school website and report electronically to the State
19 Department of Education, the Office of Educational Quality and
20 Accountability, and the Secretary of Education by September 1 of
21 each year the following information on the prior school year:

22 a. the policies and procedures adopted by the school
23 district board of education to implement the
24 provisions of this section. The information submitted

1 shall include expenditures related to implementing the
2 provisions of this section, the number of staff
3 implementing the provisions of this section, and

14 2025, Section 1210.508D), is amended to read as follows:

15 Section 1210.508D. A. Contingent on the provision of
16 appropriated funds designated for the Strong Readers Act, ~~school~~
17 ~~districts may be allocated monies for each enrolled kindergarten~~
18 ~~student or first, second, and third grade student of the current~~
19 ~~school year who is found to be in need of remediation or intensive~~
20 ~~intervention services in reading. The allocation shall be~~
21 ~~distributed to each school district upon approval of the strong~~
22 ~~readers plan for the school district by the State Board of Education~~
23 ~~and the submittal of a child-count report to the State Department of~~
24 ~~Education that details the number of students identified as needing~~

~~remediation or intensive intervention services in reading. To determine a per student allocation amount, the total amount of funds available for allocation each year shall be divided by the total number of students in the state identified as in need of remediation or intensive intervention services in reading as provided for in Section 1210.508C of this title. Each school district shall be allocated an amount equal to the per student allocation amount multiplied by the number of identified students enrolled in the school district.~~

~~B. Beginning with the 2022-2023 school year, districts receiving more than Two Thousand Five Hundred Dollars (\$2,500.00) pursuant to subsection A of this section shall spend no less than ten percent (10%) to provide professional development for teachers teaching prekindergarten through grade five. The professional development shall include training in the science of reading including how students learn to read; training in providing explicit and systematic instruction in phonological awareness, decoding, fluency, vocabulary, and comprehension; implementing reading strategies that research has shown to be successful in improving reading among students with reading difficulties; and instructional materials required for implementation.~~

~~C. By June 30, 2022, the Department shall approve and publish a list of professional development programs that are evidence-based and directly address the cognitive science of how students learn to~~

1 ~~read for which districts are permitted to use the funds received~~
2 ~~under this section.~~ each school district shall receive a base
3 literacy allocation calculated on a per-student basis for each
4 student enrolled in kindergarten and grades one through three, as
5 reported in the October 1 enrollment counts of the current school
6 year.

7 The base literacy allocation shall support the prevention of
8 reading deficiencies and the implementation of strong core literacy
9 instruction within Tier 1 of a multi-tiered system of supports
10 (MTSS) framework, including, but not limited to:

11 1. Evidence-based core literacy instruction and instructional
12 materials aligned with the science of reading;

13 2. Universal screening and diagnostic assessment necessary to
14 identify students at risk for reading deficiencies;

15 3. Progress monitoring and data use to inform instructional
16 decisions;

17 4. Family literacy resources and engagement activities aligned
18 with classroom instruction; and

19 5. Professional development and instructional coaching
20 necessary to implement the district strong readers plan.

21 The State Board of Education shall allocate not less than forty
22 percent (40%) of funds appropriated for purposes of this section to
23 support the base literacy allocation described in this subsection.
24

1 B. 1. In addition to the base literacy allocation provided
2 pursuant to subsection A of this section, school districts shall
3 receive supplemental weighted funding for students identified
4 through screening and progress-monitoring data as requiring
5 additional reading intervention services within a multi-tiered
6 system of supports (MTSS) framework.

7 2. Supplemental weighted funding shall support intervention
8 services beyond Tier 1 core instruction and shall be distributed
9 according to the following categories:

10 a. Tier 2 - Supplemental Intervention Weight: Students
11 identified as requiring targeted reading intervention
12 beyond core instruction shall generate supplemental
13 funding to support additional instructional time,
14 reduced group size, and evidence-based intervention,
15 and

16 b. Tier 3 - Intensive Intervention Weight: Students
17 identified as demonstrating a significant reading
18 deficiency requiring intensive, individualized, or
19 highly targeted intervention shall generate
20 supplemental funding reflecting the increased
21 instructional intensity required at this level.

22 3. Supplemental funding received pursuant to this subsection
23 shall be used exclusively for intervention services beyond Tier 1
24 core instruction, including:

- a. additional instructional time devoted to reading intervention,
- b. reduced instructional group sizes necessary to deliver intensive instruction,
- c. specialized instructional materials and intervention programs aligned with the science of reading,
- d. compensation for educators delivering intervention services, and
- e. professional development necessary to ensure educators providing intervention services have extensive training in the science of reading.

4. The State Board of Education shall allocate not less than thirty percent (30%) of funds appropriated for purposes of this section to support supplemental weighted intervention funding described in this subsection and shall promulgate rules establishing the methodology for calculating weights, documentation requirements, and procedures for verifying intervention participation.

5. Students shall be counted for purposes of supplemental weighted funding pursuant to this subsection only when the school district has documented that the student is receiving intervention services consistent with the level of instructional intensity required at the applicable tier.

6. School districts shall maintain documentation demonstrating:

- a. identification of the student through an approved universal screening assessment and supporting diagnostic or progress-monitoring data,
- b. implementation of an intervention plan specifying the instructional approach, frequency, duration, and group size of intervention services, and
- c. ongoing progress monitoring used to determine the effectiveness of the intervention and inform instructional adjustments.

7. Students shall not generate supplemental weighted funding unless intervention services are provided beyond Tier 1 core instruction. The State Department of Education may review intervention documentation and program implementation to verify eligibility for supplemental weighted funding distributed pursuant to this section.

8. The State Board of Education shall promulgate rules establishing reasonable expectations for the proportion of students receiving supplemental and intensive intervention services within a multi-tiered system of supports framework.

9. When the reported percentage of students receiving Tier 2 or Tier 3 intervention services significantly exceeds expected ranges, the State Department of Education may require additional documentation or provide technical assistance to ensure intervention

1 services are implemented with the instructional intensity required
2 at each tier.

3 C. 1. In order to encourage continuous improvement in student
4 reading outcomes and to support the sustainability of effective
5 intervention services, a portion of funds appropriated pursuant to
6 this section shall be used to provide incentives to school districts
7 demonstrating measurable improvement in student reading performance.

8 2. Incentive funding may include recognition of:

9 a. students who demonstrate sufficient progress to exit
10 Tier 3 intensive intervention,

11 b. students who demonstrate sufficient progress to exit
12 Tier 2 supplemental intervention, and

13 c. schools or districts demonstrating measurable
14 reductions in the number or percentage of students
15 requiring supplemental or intensive intervention.

16 3. The State Board of Education shall allocate up to thirty
17 percent (30%) of funds appropriated for purposes of this section for
18 literacy improvement incentives and shall promulgate rules
19 establishing criteria for determining eligibility for such
20 incentives.

21 ~~D. If a teacher attends and completes a professional~~
22 ~~development institute in elementary reading approved by the~~
23 ~~Commission for Educational Quality and Accountability during the~~
24 ~~summer or when school is not in session, the teacher may receive a~~

~~stipend equal to the amount of the cost for a substitute teacher,
based on the amount of funds allocated.~~

SECTION 16. AMENDATORY 70 O.S. 2021, Section 1210.508E,

2025, Section 1210.508E), is amended to read as follows:

Section 1210.508E. A. If a teacher determines that a student
in kindergarten or first through third grade is not reading at grade
level by the end of the second quarter of the school year, the
parent or legal guardian of the student shall be notified of:

1. The reading level of the student;

2. The program of reading instruction for the student as
required pursuant to the Strong Readers Act; and

3. The potential need for the student to participate in a
summer academy or other program designed to assist the student in
attaining grade-level reading skills.

B. A teacher who determines a student in kindergarten or first
through third grade is not meeting grade-level targets for reading
may, after consultation with the parent or legal guardian of the
student, recommend that the student participate in and complete a
transitional instructional setting, before-, during-, or after-
school supplemental tutoring, a summer academy program, or other
program.

C. Summer academy programs shall be designed to ensure that
participating students successfully complete grade-level

1 competencies in reading to enhance next-grade readiness. A summer
2 academy reading program shall be a program that incorporates ~~the~~
3 ~~content of a scientifically research-based professional development~~
4 ~~program administered by the Commission for Educational Quality and~~

9 teacher or ~~who are~~ a certified ~~as~~ reading ~~specialists~~ specialist.
10 The program shall provide explicit, systematic, sequential, and
11 cumulative reading intervention services and supports to correct
12 students' identified areas of reading deficiency.

13 D. School districts may approve an option for students who are
14 unable to attend a summer academy. The optional program may
15 include, but is not limited to, an approved private provider of
16 instruction, approved computer- or Internet-based instruction, or an
17 approved program of reading instruction monitored by the parent or
18 legal guardian. School districts shall not be required to pay for
19 the optional program but shall clearly communicate to the parent or
20 legal guardian the expectations of the program and any costs that
21 may be involved.

22 E. ~~Subject to the availability of funds, beginning~~ 1. School
23 districts shall provide at least one of the following reading
24 intervention options to all third-grade students scoring at the

2 Language Arts assessment, as well as students who have completed
3 kindergarten through second grade and are at risk of reading
4 deficiency as determined by a screening instrument administered
5 pursuant to subsection A of Section 1210.508C of this title:

- 6 a. before-, during-, or after-school supplemental
7 research-based reading intervention delivered by a
8 teacher or tutor with specialized reading training, or
9 b. summer academy programs designed to ensure that
10 participating students successfully complete grade-
11 level competencies in reading to enhance next-grade
12 readiness.

13 2. Summer reading academies shall include, at a minimum,
14 seventy (70) hours of instructional time in reading and shall not
15 use balanced literacy and whole language models, such as three-
16 cueing as defined in subsection F of Section 1210.508B of this
17 title.

18 F. Beginning one (1) year after implementation of this section,
19 the requirements of subsection ~~B~~ E of this section ~~may~~ shall be
20 expanded to apply to students in fourth grade. Each year
21 thereafter, the requirements ~~may~~ shall be expanded by one grade
22 level until the requirements apply to third-grade students through
23 eighth-grade students. ~~Summer academy programs~~ The reading
24 intervention options outlined in subsection E of this section shall

1 be designed for each grade level. Nothing in this section shall
2 prevent the State Board of Education or a school district board of
3 education from utilizing private, local, or federal funds to
4 implement this section.

5 ~~F.~~ G. The State Board of Education shall adopt rules to
6 implement the provisions of this section ~~which shall include~~
7 ~~requirements for instructional time for summer academy programs,~~
8 ~~teacher qualifications, and evaluation of student achievement as a~~
9 ~~result of summer academy programs or other optional programs~~ and
10 shall require school districts to report on the availability of
11 reading intervention options, the number of students participating
12 in each option, and evaluation of student achievement as a result of
13 each provided option.

14 SECTION 17. AMENDATORY 70 O.S. 2021, Section 1210.508F,

21 B. The Commission for Educational Quality and Accountability in
22 collaboration with the Oklahoma State Regents for Higher Education
23 shall ensure that all teachers ~~and adjuncts~~ of early childhood
24 education, elementary education, and special education are provided

1 quality training in intervention, instruction, and remediation
2 strategies in the science of reading to provide explicit and
3 systematic instruction in phonological awareness, decoding, fluency,
4 vocabulary, and comprehension and implement reading strategies that
5 research has shown to be successful in improving reading among
6 students with reading difficulties. Professional development may
7 include effective use of data, progress monitoring, and intervention
8 planning as it fits into a multi-tiered system of supports (MTSS)
9 framework. In addition, quality education for prospective teachers
10 shall be provided in research-based instructional strategies for
11 instruction, assessment, and intervention for literacy development
12 for all students including advanced readers, typically developing
13 readers, and struggling readers who are coping with a range of
14 challenges including, but not limited to, English language learners,
15 students at risk for reading deficiencies, and ~~learners~~ students
16 with handicapping conditions and learning disabilities, including
17 dyslexia. Quality training shall include guidance from professional

2 Education that offer elementary, early childhood education, or
3 special education programs approved by the Commission for
4 Educational Quality and Accountability shall incorporate into those
5 programs the requirement that teacher candidates study the five
6 elements of reading instruction which are phonological awareness,
7 decoding, fluency, vocabulary, and comprehension and study methods
8 based on the science of reading. Teacher candidates shall study
9 strategies including, but not limited to, instruction that is
10 explicitly taught, sequenced, multimodal (reading, writing,
11 speaking, listening, hands-on, etc.), multidisciplinary, and
12 reflective to adapt for individual learners. Additionally, teacher
13 candidates shall study the negative impacts of balanced literacy and
14 whole language models, including three-cueing practices. They shall
15 further study how to identify balanced literacy and whole language
16 models including three-cueing practices in curriculum, and
17 subsequently, learn how to implement reading instruction using high-
18 quality instructional materials grounded in the science of reading
19 which do not include balanced literacy and whole language models
20 such as three-cueing, and the negative impacts of three-cueing.

21 D. Each teacher education program approved by the Commission
22 for Educational Quality and Accountability shall be audited by the
23 Commission to ensure teacher candidates are receiving quality
24 training in the science of reading. The Commission shall place the

6 elementary education program in this state shall be required to
7 successfully complete a comprehensive reading instruction assessment
8 approved by the Commission for Educational Quality and
9 Accountability as a condition for certification. The assessment
