

STATE OF OKLAHOMA

1st Session of the 60th Legislature (2025)

HOUSE BILL 2084

By: Blair

AS INTRODUCED

An Act relating to professions and occupations;
amending Section 3, Chapter 269, O.S.L. 2024 (59 O.S.
Supp. 2024, Section 1688.1), which relates to
continuing education requirements; modifying license
renewal requirements; and providing an effective
date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY Section 3, Chapter 269, O.S.L.
2024 (59 O.S. Supp. 2024, Section 1688.1), is amended to read as
follows:

Section 1688.1. A. 1. Effective January 1, 2026, no
contractor or journeyman license shall be renewed unless the
licensee has completed twelve (12) hours of continuing education
every three (3) years or thirty-six (36) months preceding ~~the~~
~~expiration date of the license or registration certificate~~ license
renewal. If a license expires before the licensee completes the
continuing education requirement, any continuing education that is
completed while the license is expired will be applied to the
continuing education requirement for the thirty-six (36) months

1 preceding the date the license expired. Once the continuing
2 education requirement for the expired license is met, along with any
3 other requirements, the expired license may be renewed. Twelve (12)
4 hours of continuing education will have to be completed in order to
5 meet the continuing education requirement for the subsequent thirty-
6 six-month period. The continuing education course and instructor
7 shall be approved in advance by the Committee of Electrical
8 Examiners. Exceptions to advance approval, or post-course approval,
9 may be allowed by the Committee, or its designee, for substitute
10 instructors in emergency situations when written notice of the
11 emergency is provided to the Committee, or its designee, within
12 seven (7) days of the course. The location of continuing education
13 courses shall be at the discretion of the course provider and may be
14 scheduled during the workday at the discretion of the course
15 provider. The continuing education material shall cover six (6)
16 hours of codes and revisions adopted by the Oklahoma Uniform
17 Building Code Commission (OUBCC). The remaining six (6) hours may
18 include the study of: electrical circuit theory and calculations,
19 wiring methods, grounding and bonding, transformer and motor theory,
20 electrical circuits and devices, control systems, alternative energy
21 systems including energy storage, safety related to the electrical
22 industry as defined by NFPA 70E, manufacturers' installation of
23 equipment or parts, the Electrical License Act, the trade
24 regulations as set forth in this act as well as the rules of the

1 Construction Industries Board, and other trade subject matters
2 approved by the Committee.

3 2. Effective January 1, 2026, no apprentice shall be permitted
4 to reregister unless the apprentice registrant has completed three
5 (3) hours of continuing education every year preceding ~~the~~
6 ~~expiration date of the registration certificate~~ re-registration. If
7 a registration expires before the registrant completes the
8 continuing education requirement, any continuing education that is
9 completed while the registration is expired will be applied to the
10 continuing education requirement for the year preceding the date the
11 registration expired. Once the continuing education requirement for
12 the expired registration is met, along with any other requirements,
13 the apprentice is allowed to reregister after having an expired
14 registration. Three (3) hours of continuing education will still
15 have to be completed in order to meet the continuing education
16 requirement for the subsequent registration year. The continuing
17 education course and instructor shall be approved in advance by the
18 Committee. Exceptions to advance approval, or post-course approval,
19 may be allowed by the Committee, or its designee, for substitute
20 instructors in emergency situations when written notice of the
21 emergency is provided to the Committee, or its designee, within
22 seven (7) days of the course. The location of continuing education
23 courses shall be at the discretion of the course provider and may be
24 scheduled during the workday at the discretion of the course

1 provider. The continuing education material shall cover a
2 combination of the codes and revisions adopted by the OUBCC,
3 Oklahoma electrical industry regulations as well as the rules of the
4 Construction Industries Board, and "electrical safety" as defined by
5 NFPA 70E, other trade subject matters approved by the Committee, or
6 approved continuing education for the contractor or journeyman.
7 Notwithstanding the provisions of this subsection, if an apprentice
8 is a student apprentice or is enrolled and attending an approved
9 course, the continuing education shall not be required.

10 B. The Construction Industries Board shall amend its rules,
11 wherever applicable, to conform to the provisions of the Electrical
12 License Act.

13 SECTION 2. This act shall become effective November 1, 2025.
