

# Resolution

ENROLLED SENATE  
RESOLUTION NO. 28

By: Seifried, Stanley, and  
Guthrie

A Resolution recognizing alpha-gal syndrome as a serious public health and safety concern; acknowledging the impact of tick-borne illnesses in Oklahoma; supporting increased awareness, education, prevention, and research; declaring May as Alpha-gal Awareness and Prevention Month; and directing distribution.

WHEREAS, alpha-gal syndrome is a potentially life-threatening allergic condition, most often caused by tick bites, that is increasingly affecting Oklahoma residents; and

WHEREAS, public health officials and researchers have reported a notable rise in alpha-gal syndrome cases in recent years; and

WHEREAS, individuals with alpha-gal syndrome experience varying sensitivities and reactions, often requiring strict avoidance of certain meat and dairy products; and

WHEREAS, exposure can trigger severe allergic reactions, including life-threatening anaphylaxis, sometimes hours after contact; and

WHEREAS, alpha-gal syndrome can lead to emotional, medical, and financial burdens impacting an individual's quality of life, education, employment, and access to care; and

WHEREAS, Oklahoma's climate, wildlife, and outdoor traditions increase residents' risk of tick exposure; and

WHEREAS, public education, early recognition, and tick-bite prevention are critical to protecting the health of Oklahomans.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE 2ND SESSION OF THE 60TH OKLAHOMA LEGISLATURE:

THAT the Oklahoma State Senate recognizes alpha-gal syndrome as a serious and potentially life-threatening condition affecting Oklahoma residents.

THAT the Oklahoma State Senate encourages health care providers, public health officials, educators, and community groups to increase awareness of alpha-gal syndrome and other tick-borne illnesses.

THAT the Oklahoma State Senate supports continued research into the causes, prevention, diagnosis, and treatment of alpha-gal syndrome and other tick-borne diseases.

THAT the Oklahoma State Senate declares the month of May as Alpha-gal Awareness and Prevention Month in the State of Oklahoma.

THAT a copy of this resolution be distributed to the State Department of Health to inform the agency's tick-borne disease education and prevention.

Adopted by the Senate the 4th day of May, 2026.
