2nd Session of the 60th Legislature (2026)

COMMITTEE SUBSTITUTE
FOR ENGROSSED
SENATE BILL NO. 1521

By: Hamilton of the Senate

and

Maynard of the House

COMMITTEE SUBSTITUTE

An Act relating to artificial intelligence; defining terms; requiring operators make certain disclosure; directing operators to institute certain preventative measures for minor account holders; prohibiting operators from allowing a conversational AI service to make certain statement; requiring operators to adopt certain protocol to respond to certain prompts from users; granting enforcement authority to the Attorney General; establishing certain civil penalty; allowing the Attorney General to promulgate rules for the enforcement of this act; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 301 of Title 75A, unless there is created a duplication in numbering, reads as follows:

As used in this act:

1. "Account holder" means an individual who has an account or profile to use a conversational AI service;

1 2. "App" means a software application or electronic service
2 that a user may run or direct on a mobile device, including
3 preinstalled applications;

4 3. "App store" means a publicly available website, software
5 application, or electronic service that allows account holders to
6 download apps from third-party developers onto a mobile device;

7 4. "App store provider" means a person who owns, operates, or
8 controls an app store that allows individuals in this state to
9 download apps onto a mobile device;

10 5. "Conversational AI service" means a generative artificial
11 intelligence system offered as a software application, web
12 interface, or computer program that is accessible to the general
13 public and that is marketed or optimized to meet a user's emotional
14 or social needs by simulating interpersonal companionship, emotional
15 attachment, or romantic human conversation and interaction through
16 sustained textual, visual, or aural communication. Such term shall
17 not include an application, web interface, or computer program that:

- 18 a. is primarily designed and marketed for use by
19 developers or researchers,
20 b. is a feature within another software application, web
21 interface, or computer program that is not a
22 conversational AI service, such as a video game,
23 c. is designed to provide outputs relating to a narrow
24 and discrete topic,

1 d. is primarily designed and marketed for commercial use
2 by business entities, including for purposes related
3 to customer service, a business's operation purposes,
4 product information and discovery, managing existing
5 services or goods purchased from the business,
6 scheduling, billing and payment, productivity and
7 analysis related to source information, internal
8 research, or technical assistance,

9 e. functions as a text, voice, or voice-activated virtual
10 assistant or command interface for a consumer
11 electronic device, or

12 f. is used by a business solely for internal purposes;

13 6. "Generative artificial intelligence system" means a
14 computer-based system that uses machine learning or similar
15 techniques involving large language models or deep learning models
16 trained on one or more datasets and that is intended to generate,
17 with some degree of autonomy, synthetic content, including, but not
18 limited to, images, videos, audio, text, and other digital content,
19 that emulates the structure and characteristics of such datasets;

20 7. "Minor account" means an account which has a known minor
21 account holder;

22 8. "Operator" means a person who owns, controls, and makes
23 available a conversational AI service to the public. The term shall
24 not include, an Internet service provider, an app store provider or

1 search engine solely because the app store provider or search engine
2 provides access to a conversational AI service; and

3 9. "Sexually explicit conduct" has the same meaning as defined
4 in subsection C of Section 1024.1 of Title 21 of the Oklahoma
5 Statutes.

6 SECTION 2. NEW LAW A new section of law to be codified
7 in the Oklahoma Statutes as Section 302 of Title 75A, unless there
8 is created a duplication in numbering, reads as follows:

9 A. An operator shall clearly and conspicuously disclose to a
10 minor account holder that he or she is interacting with a
11 conversational AI service and is not interacting with a natural
12 person:

13 1. With a constantly visible disclaimer; or
14 2. At the beginning of each session and appearing at least
15 every thirty (30) minutes in a continuous conversational AI service
16 interaction.

17 B. For minor account holders, an operator shall institute
18 reasonable measures to prevent the conversational AI service from
19 generating statements that would lead a reasonable person to believe
20 that he or she is interacting with a natural person, including:

21 1. Explicit claims that the conversational AI service is
22 sentient or human;
23 2. Statements that simulate emotional dependence;
24 3. Statements that simulate romantic or sexual innuendos; or

1 4. Role-playing of adult-minor romantic relationships.

2 C. 1. An operator shall not provide a minor account holder
3 with points or similar rewards at unpredictable intervals with the
4 intent to encourage increased engagement with the conversational AI
5 service.

6 2. An operator shall offer tools for a minor account holder's
7 parent or legal guardian to manage the minor account holder's
8 privacy and account settings.

9 D. An operator shall not knowingly or intentionally cause or
10 program a conversational AI service to make any representation or
11 statement that explicitly indicates that the conversational AI
12 service is designed to provide professional mental or behavioral
13 health care.

14 E. An operator shall adopt a protocol for the conversational AI
15 service to respond to a user prompt regarding suicidal ideation or
16 self-harm, which shall include making reasonable efforts to provide
17 a response that refers the user to crisis service providers.

18 SECTION 3. NEW LAW A new section of law to be codified
19 in the Oklahoma Statutes as Section 303 of Title 75A, unless there
20 is created a duplication in numbering, reads as follows:

21 A. In the case of a violation of Section 2 of this act, the
22 Attorney General may bring a civil action in the district court of
23 Oklahoma County or a district court in the county in which the
24

1 violation occurred to obtain civil penalties under subsection B of
2 this section.

3 B. Any operator who violates the provisions of this act shall
4 be subject to a civil penalty of One Thousand Dollars (\$1,000.00)
5 per violation not to exceed Five Hundred Thousand Dollars
6 (\$500,000.00) per covered entity.

7 C. The Attorney General may promulgate any rules necessary to
8 enforce the provisions of this act.

9 D. Nothing in this act shall be construed to create liability
10 for the developer of a conversational AI which is made available to
11 the public by a separate operator.

12 SECTION 4. This act shall become effective July 1, 2027.
