FLOOR SUBSTITUTE

An Act relating to probation; defining terms; authorizing certain offenders to receive probation term reductions under certain circumstances; requiring agencies to maintain a record of certain activity completion; requiring supervising agencies to give notice of earned credits; requiring the court to schedule certain proceeding and enter an order in certain circumstances; requiring the Department of Corrections to develop certain policies and procedures; authorizing offenders to make a motion for reductions; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 991a-4.3 of Title 22, unless there is created a duplication in numbering, reads as follows:

A. As used in this section:

1. "Educational advancement activity" means a high school diploma or high school equivalency diploma, a bachelor's or

1 associate's degree, or a certificate of completion of vocational
2 training; and

3 2. "Supervising agency" means an agency providing probation
4 supervision, whether conducted by the Department of Corrections, a
5 district attorney, or a private supervision provider.

6 B. Any offender who receives a sentence that is suspended in
7 whole or in part with probation pursuant to the provisions of
8 Section 991a of Title 22 of the Oklahoma Statutes may be eligible to
9 earn a reduction of the offender's full probation term by completing
10 an educational advancement activity while on probation. Upon
11 successful completion of an educational advancement activity, and
12 provided that any restitution and nonmonetary conditions of
13 probation have been satisfied, the offender may receive a probation
14 reduction equal to one-quarter (1/4) of the offender's sentenced
15 probation length; provided, however, the total reduction resulting
16 from such action shall not exceed ten (10) years. An offender may
17 earn an educational advancement reduction only once during the term
18 of his or her probation. No person convicted of an offense under
19 Section 13.1 of Title 21 of the Oklahoma Statutes, Section 571 of
20 Title 57 of the Oklahoma Statutes, or any offense which results in
21 the offender being required to register pursuant to the Sex
22 Offenders Registration Act shall be eligible for a reduction
23 pursuant to this section.

1 C. Whenever an offender successfully completes an educational
2 advancement activity while on supervised probation, the supervising
3 agency shall maintain a record of the successful completion. No
4 less than once annually from the date the offender is placed on
5 supervised probation, the supervising agency shall notify the
6 offender of the projected probation termination date.

7 D. The supervising agency shall notify the court of the
8 offender's eligibility for reduction in his or her probation term
9 under this subsection when the offender successfully completes the
10 educational advancement activity and satisfies restitution and all
11 nonmonetary conditions of his or her probation. Upon receipt of
12 such information, the court shall schedule a sentence modification
13 hearing. Reasonable notice shall be provided to both the offender
14 and the district attorney. If it is shown at the hearing that the
15 offender has successfully completed an educational advancement
16 activity and has satisfied restitution and all nonmonetary
17 conditions of his or her probation, the court shall enter an order
18 modifying the length of the probation term.

19 E. The Department of Corrections and other supervising agencies
20 shall develop written policies and procedures necessary for the
21 implementation of this section. The policies and procedures
22 developed by the Department shall include, but not be limited to,
23 written guidelines regarding the process to confirm probation
24

1 reduction following a successful completion of an educational
2 advancement activity.

3 F. If an offender is no longer supervised by a supervising
4 agency but has completed an educational advancement activity and
5 would qualify for a reduction of probation under subsection B of
6 this section, the offender may file a motion with the sentencing
7 court seeking a one-quarter (1/4) reduction of his or her probation
8 term; provided, however, the total reduction resulting from such
9 action shall not exceed ten (10) years. If the court finds that the
10 offender has complied with the requirements of subsection B of this
11 section and the offender has not yet received education credit under
12 the term of his or her probation, the court shall grant the motion.

13 SECTION 2. This act shall become effective November 1, 2026.
