

STATE OF OKLAHOMA

1st Session of the 60th Legislature (2025)

HOUSE BILL 2238

By: Munson

AS INTRODUCED

An Act relating to lung cancer screening; creating the Lung Cancer Screening Program; providing the purpose; directing the State Department of Health to promulgate rules; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-580 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. A Lung Cancer Screening Program shall be created within the State Department of Health. The program may provide grants to National Cancer Institute (NCI)-Designated Cancer Centers for the purpose of expanding mobile lung cancer screening services. The program may provide funding for assessment, referral, consultation, and screening for lung cancer, including equipment for mobile lung cancer screening.

B. The Department may contract with entities to carry out the purposes and functions of the Lung Cancer Screening Program and

1 shall establish standards and criteria for entities to be eligible
2 to contract with the Department.

3 C. The State Board of Health shall:

4 1. Promulgate rules necessary for the administration of the
5 Lung Cancer Screening Program; and

6 2. Establish evaluation methods to assess the effectiveness of
7 the Lung Cancer Screening Program.

8 D. The Lung Cancer Screening Program shall focus on increasing
9 the lung cancer screening rate for individuals who qualify as "high-
10 risk" per the United State Preventative Services Task Force.

11 SECTION 2. This act shall become effective November 1, 2025.
