5
6 An Act relating to professions and occupations;
7 amending 59 O.S. 2021, Section 1688, as amended by
8 Section 3, Chapter 355, O.S.L. 2024 (59 O.S. Supp.
9 2025, Section 1688), which relates to electrical
10 licenses; providing renewal and reinstatement
11 procedures for expired unlimited journeyman
12 electrician and residential journeyman licenses;
13 authorizing renewal without reexamination after more
14 than one year of expiration under certain conditions;
15 directing the Construction Industries Board to
16 establish fees and implement rules; and providing an
17 effective date.

18 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

19 SECTION 1. AMENDATORY 59 O.S. 2021, Section 1688, as
20 amended by Section 3, Chapter 355, O.S.L. 2024 (59 O.S. Supp. 2025,
21 Section 1688), is amended to read as follows:

22 Section 1688. A. No license shall be issued for longer than
23 one (1) year, and all licenses shall expire on the last day in the
24 birth month of the licensee. A license may be renewed upon
application and payment of fees thirty (30) days preceding or
following the date the license is due. Licenses renewed more than
thirty (30) days following the date of expiration may be renewed
only upon application and payment of all required fees and payment

1 of any penalty for late renewal established by the Construction
2 Industries Board and upon compliance with any applicable continuing
3 education requirements established by the Board and the Electrical
4 License Act. No penalty for late renewal shall be charged to any
5 holder of a license which expires while the holder is in military
6 service, if an application for renewal is made within one (1) year
7 following the service discharge of the holder.

8 B. No journeyman or contractor license shall be renewed unless
9 the licensee has completed the required hours of continuing
10 education, pursuant to the Electrical License Act and as determined
11 and approved by the Committee of Electrical Examiners and approved
12 by the Construction Industries Board.

13 C. Any license which remains expired for longer than one (1)
14 year shall not be renewed but shall be reinstated pursuant to this
15 subsection when compliant with all license requirements. To obtain
16 the license formerly held, the former license holder shall be
17 required to submit a reinstatement application provided by the
18 Construction Industries Board, along with payment of the application
19 and license fees set at the same fee amounts as an initial
20 application and license fee, and either retest or satisfy all of the
21 following:

22 1. Submit a complete reinstatement application to the
23 Construction Industries Board;
24

1 2. Pay the standard renewal fee for each year the license has
2 been expired, plus all accrued late fees, plus a reinstatement
3 penalty fee of Two Hundred Dollars (\$200.00) per full year of
4 expiration;

5 3. Submit certification of completion within the preceding
6 twelve-month period of all continuing education approved by the
7 Committee of Electrical Examiners as follows:

8 a. if the applicant has satisfied the continuing
9 education requirements required for license renewal
10 within the preceding thirty-six (36) months, no
11 additional continuing education shall be required, or

12 b. if the license has been expired for more than thirty-
13 six (36) months, the applicant shall complete
14 continuing education as follows:

15 (1) after being expired for more than one (1) year,
16 the applicant shall take twelve (12) hours of
17 continuing education,

18 (2) after being expired for more than two (2)
19 consecutive years, the applicant shall take a
20 total of twenty-four (24) hours of continuing
21 education,

22 (3) after being expired for more than three (3)
23 consecutive years, the applicant shall take a
24

1 total of thirty-six (36) hours of continuing
2 education, or
3 (4) after being expired for more than four (4)
4 consecutive years, the applicant shall take a
5 total of forty-eight (48) hours of continuing
6 education; and

7 4. Submits an original sworn affidavit or other verification
8 satisfactory to the Board that the applicant has not been subject to
9 final disciplinary action that would preclude licensure and has not
10 been convicted of a crime that has a direct bearing on the
11 applicant's fitness to practice as an electrician.

12 D. A licensee is exempt from the continuing education
13 requirements for license renewal for three (3) years from the date
14 the licensee passed his or her current licensing exam.

15 E. A licensee reinstated through the option of completing the
16 required hours of continuing education in lieu of retesting after
17 being expired for more than one (1) year shall, for the first timely
18 submitted license renewal of the reinstated license, complete the
19 required continuing education pursuant to this act for renewing his
20 or her license within thirty-six (36) months beginning from the date
21 of the last verified continuing education course completed for
22 reinstatement of an expired license.

23 F. An apprentice registration certificate shall be issued for
24 one (1) year, at which time the apprentice may reregister upon

1 meeting the requirements of the Construction Industries Board and
2 paying the renewal fee.

3 ~~D.~~ G. A student apprentice registration certificate shall be
4 issued for the registrant's school year. A student apprentice
5 registration expires on the last day of the registrant's school
6 year, at which time the apprentice may reregister upon meeting the
7 requirements of the Construction Industries Board and paying the
8 renewal fee.

9 SECTION 2. This act shall become effective November 1, 2026.
