SUBJECT: Professions and occupations

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 59 O.S. 2021, Section 1688, as amended by Section 3, Chapter 355, O.S.L. 2024 (59 O.S. Supp. 2025, Section 1688), is amended to read as follows:

Section 1688. A. No license shall be issued for longer than one (1) year, and all licenses shall expire on the last day in the birth month of the licensee. A license may be renewed upon application and payment of fees thirty (30) days preceding or following the date the license is due. Licenses renewed more than thirty (30) days following the date of expiration may be renewed

only upon application and payment of all required fees and payment of any penalty for late renewal established by the Construction Industries Board and upon compliance with any applicable continuing education requirements established by the Board and the Electrical License Act. No penalty for late renewal shall be charged to any holder of a license which expires while the holder is in military service, if an application for renewal is made within one (1) year following the service discharge of the holder.

B. No journeyman or contractor license shall be renewed unless the licensee has completed the required hours of continuing education, pursuant to the Electrical License Act and as determined and approved by the Committee of Electrical Examiners and approved by the Construction Industries Board.

C. Any license that remains expired for longer than one (1) year shall not be renewed but shall be reinstated pursuant to this subsection when compliant with all license requirements. To obtain the license formerly held, the former license holder shall be required to submit a reinstatement application provided by the Board and either retest or satisfy all of the following:

1. Submit a complete reinstatement application to the Board;

2. Pay the standard license renewal fee and a reinstatement penalty fee of Two Hundred Dollars (\$200.00);

3. Submit certification of completion within the preceding twelve-month period of all continuing education approved by the Committee of Electrical Examiners as follows:

a. if the applicant has satisfied the continuing education requirements required for license renewal within the preceding thirty-six (36) months, no additional continuing education shall be required, or

b. if the license has been expired for more than thirty-six (36) months, the applicant shall complete twelve (12) hours of continuing education for each full thirty-six-month period the license has remained expired, not to exceed twenty-four (24) hours; and

4. Submit an original sworn affidavit or other verification satisfactory to the Board that the applicant has not been subject to final disciplinary action that would preclude licensure and has not

been convicted of a crime that has a direct bearing on the applicant's fitness to practice as an electrician.

D. A licensee shall be exempt from the continuing education requirements for license renewal for three (3) years from the date the licensee passed his or her current licensing exam.

E. A licensee whose license was reinstated through the option of completing the required hours of continuing education in lieu of retesting after being expired for more than one (1) year shall, for the first timely submitted license renewal of the reinstated license, complete the continuing education required pursuant to this section for renewing his or her license within thirty-six (36) months beginning from the date of the last verified continuing education course completed for reinstatement of an expired license.

F. An apprentice registration certificate shall be issued for one (1) year, at which time the apprentice may reregister upon meeting the requirements of the Construction Industries Board and paying the renewal fee.

~~D.~~ G. A student apprentice registration certificate shall be issued for the registrant's school year. A student apprentice registration expires on the last day of the registrant's school year, at which time the apprentice may reregister upon meeting the requirements of the Construction Industries Board and paying the renewal fee.

SECTION 2. This act shall become effective November 1, 2026.
